* The Arizona Trail is shown in red to distinguish it from other singletrack trails. Many sections of the Arizona Trail are complete. However, others are still pending final alignment and this map is only as accurate as the most recent available data.
** Trails shown in State and National parks are an approximate representation. Contact individual park entities regarding availability of detailed trail maps.
*** Park boundaries reflect various jurisdictional maps; boundaries may vary.

DISCLAIMERS
- This map is a planning tool. Many of the features are proposed and not open to the public for any purpose.
- Many depicted facilities are schematic, meant only to display a travel corridor and do not represent an accurate alignment.
- Final facility alignments and locations are subject to review and approval by the appropriate jurisdictional representative.
- The information is provided "as is" without warranty of any kind, express or implied.
