South Harrison Neighborhood Association

Established 1996

Greetings from the South Harrison Neighborhood Association.

The S.H.N.A. provides channels of communication for the residents living between Irvington and Golf Links and between Houghton and Pantano Wash, so they can help to Improve the general welfare and quality of life within and adjacent to our neighborhood boundaries.

In the past we have had speakers from the police department, representatives from Ward 4 council office, and the mayor came to our meetings to hear our concerns and provide us with relevant information. We have had builders come to our meetings to present their plans and hear our concerns. We have also had recent presentations from the Pima County Attorney's Office, Tucson Department of Environmental Services, Flandreau Planetarium and Eastside Neighbors Volunteer Program to name a few.

What's new in the SHNA:

- LA Fitness opened on Golf Links
- A new traffic light was installed at Irvington and Harrison. (Ward 4 counsel office played an integral role in helping us accomplish this goal).
- Ouiktrip convenience store at Houghton and Golf Links has opened.
- The Walmart Scheduled to open behind CVS drugstore in the Golf Links/Houghton vicinity is still on track.
- Thanks to the Beacon Foundation For cleaning up the Stella/Bonanza medians.

Several SHNA residents have been recent victims of crime, including auto theft, home burglary and home invasion. Try and take notice of suspicious and out of the ordinary activity and report said information to police.
