COMMENT / QUESTION:

No concern for safety - police not available in Rita Ranch; just 911 and put on hold.

No thoughts on mitigation of odor. - residents peg. with bad odor.

What about loss of property values due to this marijuana center being put here.

Water use will be astronomical -

COMMENT / QUESTION:

FNA favors an extension w/modification; dispensaries should not be adjacent to private homes. It isn't sufficient to restrict dispensaries to commecial, office, and industrial parcels, nor is it sufficient to restrict to parcels with no resd. Zoning w/in a one block radius. Due to the pattern of

zoning in the core urban neighborhoods, entire blocks that have always been purely residential in use have non-residential zoning (usual commercial). The actual use of the surrounding properties must be considered when sitting a dispensary not just the zoning.

The SW corner of Park + Lee in Feldman's is the site of a marijuana dispensary that was objected.
