Subject: Re: HGN log update

Stacey,

My humble apologies. Because of a password problem, I was not able to access my email for quite some time. I have FAXed to documents you requested as of 01/20/05 1920 hrs. The most recent gaze you have recorded is my last gaze. I no longer use HGN enough to be as accurate as I would like, so I have discontinued the test.
Again, sorry for any inconvenience you may have suffered.

Officer Salgado: **2nd Request** - the PD's Office is again requesting your updated HGN and/or certification. The last gaze on file for you here is #52 from 1/10/03. You may fax this to me here @ the Prosecutor's Office @ 791-5509, send them inter-office or drop them by if you have court. **If you do not have any current logs or certification, please respond to that effect by e-mail as soon as possible so that I can provide the PD's office with that information and close out the request.** Thanks.
