Water Line Repair Closes Lanes at Valencia & 12th Ave.

Emergency water main repair and valve replacement have resulted in the closure of the eastbound curb lane of Valencia Rd. and the northbound curb lane of 12th Ave. at the southeast corner of the intersection.

Both lanes are expected to reopen by 8 p.m., Saturday, May 23. Traffic may still move through the intersection. There has been no interruption of water service to customers.

Motorists should be prepared for traffic delays and plan accordingly. If driving in the vicinity, please exercise additional caution to help ensure the safety of the workers.
