From Donald Ijams, former PHNA president:

On October 13, the PHNA Board of Directors unanimously elected Nancy Huff to the post of President of the Peter Howell Neighborhood Association.

Nancy recently retired from the UA College of Medicine where she was Asst. Registrar for years. Among other things, she worked to keep the paper straight for medical students, coming and going, while solving problems of many kinds. She brings a lot of organizational and problem-solving skill to the president's position, and along with her great people skills and longevity in the neighborhood, I'm sure she will do a first class job of looking after our neighborhood.

Just as Nancy recently retired and became more active in the neighborhood, I too retired (in 2005) and accepted the president's role. Now, after four years I decided to step aside and make room for some new blood. I will continue on the PHNA Board, help Nancy in her new role and will serve as the Association's treasurer.

Please contact Nancy with items of concern to the residents and businesses in the Peter Howell neighborhood. Her contact information is as follows:

From Nancy:

Hello neighbors. I walk my dog once or twice a day north of 5<sup>th</sup> St. Please say hello if you see me, or the other neighbors out enjoying the lovely fall weather.

Thank you to the neighbors who have put up Halloween decorations, they add a smile.

I am very glad that I had lived in this neighborhood so long and gotten to know many neighbors. And there are many more to meet.

After family and friends, neighbors are the people we often turn to. Please greet each other, it helps with crime prevention and adds to a good spirit in our area.

If you would like to join an email list for neighborhood news/alerts, please contact Nancy.
