Mr. Negrete,
I have received your email regarding two issues you raise - 1) adding a new turn lane at Broadway/Campbell instead of widening, and 2) not allowing alcohol-serving bars/establishments in the project area [and particularly near your home at Broadway/Santa Rita Ave].

These will be forwarded on to the Task Force through the use of the public input report.

Thank you for sharing your concerns with us.

Regards,
Jenn

Hello,

I've lived at 1201 E. 10th St., one block north of Broadway, for over 28 years. I'm a long-time acquaintance of Mayor Rothschild. I'm opposed to the widening of Broadway. Since I travel on Broadway a lot, I'm certain that creating a separate new right turn only lane on the northeast corner of Broadway and Campbell, just as there already is on the southwest corner, would alleviate much traffic congestion, and at a much lower cost than widening the entire length as proposed. However, if the Broadway widening project does happen as proposed, I am vehemently opposed to allowing any new alcohol-serving establishments along the route. My cross street at Broadway is Santa Rita Ave., and there are currently buildings there that seem like they could one day be prime locations for the establishment of alcohol-serving bars. My home is already subject to plenty of alcohol-fueled noise, and having additional alcohol-serving establishments on Broadway would be absolutely intolerable. So please take my thoughts as a long-time resident of the area into account.

Sincerely,

Mike Negrete
