

# HERE'S A NEW WAY TO ENJOY GOING TO THE PARK!

Outdoor classrooms are now available at Christopher Columbus Park, Kennedy Park and Lakeside Park. Each classroom features bench seating for 48, a small stage and a terrific lakeside view.

These new park amenities are free to the public and can be used by community or school groups for outdoor presentations. No reservations are necessary. Parks and Recreation partnered with crew volunteers from the USS Tucson to build the classrooms.

- Christopher Columbus Park  
4600 N. Silverbell Rd.
