# 1,000 Trees *for* Tucson

The goal of this project is to bring thousands of volunteers of all ages together to plant 1,000 trees that will create habitat, provide cleaner air and lower temperatures. Thank you for **making a difference!**

Thanks to sponsors the Arizona Daily Star, Citi, Cox Communications and Tucson Electric Power, Tucson Clean and Beautiful is providing free 5-gallon native trees - Blue Palo Verde, Desert Willow, Thornless Mesquite - to be planted on October 27 by volunteers from area nonprofits.
