Application for Trees to Shade Homes

SPECIAL NOTE: The Trees for Tucson Home Shade Tree application form is not presently available online.

Due to high demand, the supply of trees for the spring 2010 season has been fully allocated.

Those who have already returned an application form and payment will have their trees delivered no later than early May 2010.

Additional trees will be available again later in the summer 2010. Please visit this website again beginning in late June 2010 to download a form, or to place your name on the application request list for that time please e-mail tft@tucsonaz.gov – a copy can be emailed, mailed or faxed to you when the application form becomes available in late June 2010.

Questions? Call 250-8220; Trees for Tucson is a program of Tucson Clean and Beautiful, Inc. and is not a part of the City of Tucson. The shade tree program is funded by a contract with Tucson Electric Power Company.
