

On-Street Bike Corrals

Bikes on Sidewalk

Objectives of initiative:

- To provide high concentrations of bicycle parking at busy destinations.
- To preserve sidewalk space for pedestrians
- To increase the amount of parking overall (up to 20 bikes fit into one vehicle space!)
- To further Tucson's effort to be a bike friendly community

Potential Tucson Locations:

- Epic Café (along University)
- Rialto Theatre (along Congress)
- Time Market (along University)

"I think the corrals are a great idea. Not only do they clear the side walk, but they make bikes more visible as a means of transportation that has a right to the road."

--Lori Boston, President of West University Neighborhood Association
