

EL PASO & SOUTHWESTERN GREENWAY OPEN HOUSES

You're Invited!

The City of Tucson and the Regional Transportation Authority will hold three Open Houses to present the Draft Master Plan for the El Paso & Southwestern Greenway, a six-mile multiuse path for bicyclists and pedestrians along a former railroad corridor. You are invited to participate in discussions of each segment and view displays of the entire alignment.

The El Paso & Southwestern Greenway alignment begins near the western terminus of the University Bikeway, near Main Avenue and University Boulevard. It travels south and passes along the west edge of downtown, parallel to Interstate 10, and continues south crossing St. Mary's Road, Congress Street and 22nd Street. The Greenway enters the City of South Tucson at approximately 29th Street and briefly continues south before turning on a southeast angle along the old railroad corridor. It crosses South 4th Avenue and proceeds east, where it exits the City of South Tucson as it crosses the Nogales railroad spur. The Greenway then travels generally east, across Park Avenue, then southeast to cross Kino Boulevard, ending at the Kino Sports Complex/Ajo Detention Basin. A small piece of the Greenway has already been constructed with the Fire Central Project.

Community input and support is vital to making the Greenway project a success. Many of you participated in reviewing the preliminary alignment in late 2008. You are now encouraged to view the final alignment and provide additional comments.
