

# OPEN HOUSE

City of Tucson Department of Transportation invites you to an open house for the 4th Avenue / Fontana Bicycle Boulevard

## PROJECT BACKGROUND

The 4th Avenue/Fontana Bicycle Boulevard Project will provide bicyclists of all abilities a safe and pleasant place to ride in midtown Tucson. The route connects thousands of residents between Prince Road and University Boulevard to shopping, jobs, schools and to several other bicycle friendly routes that easily reach the University of Arizona, downtown and beyond. The plan for the Bicycle Boulevard was developed by the Drachman Institute with input from the neighborhoods along the corridor in 2008.

## PROJECT AREA

### Highlights of the project include:

- Traffic Calming Devices
- Intersection Restrictions
- Way-Finding Signage
- Street Trees
- Bike Parking Corral

The preliminary plan for the corridor was shown to the public in August 2009. Feedback from those meetings has now been incorporated into the plan. Please attend the upcoming Open House to see the final plan.

**Open House**  
**Wednesday, October 28,**  
**6-7:30 p.m.**  
**Northwest Neighborhood Center,**  
**Teen Room**  
**2160 N. 6th Ave,**  
**Tucson, AZ 85705**
