

Does my event need a special event permit?

Do you need to get a special event permit? If the answer to any of these questions is yes, then your event is considered special and you need to complete the application.

1. Will your event have tents that need a permit?
2. Will there be alcohol at the event?
3. Will the event require closing a street, hooding meters or cross the streetcar tracks?
4. Will the event have vendors marketing, selling or giving away food, merchandise or services?
5. Will you be requesting a temporary extension of premises?
6. Will there be temporary facilities such as fencing, portable bathrooms or stages?
7. Are you requesting off duty police officers or private security?
8. Will your event be promoted on the radio, television, print media or on social networks?
9. Will the event attract more than 200 people?
10. Will the event have amplified sound?

If you answered yes to any of these questions and believe your event should not have to complete the special event application, please contact the special event office at specialevents@tucsonaz.gov or call 837-8011.
