Mayor Jonathon Rothschild
City of Tucson
244 West Alameda Street, 10th Floor
Tucson, Arizona 85701

Dear Mayor Rothschild,

As President of the Royal Automotive Group and Lexus of Tucson, I am sending this letter to let you know that I fully support the City of Tucson's annexation plan. A proactive plan of annexation of the unincorporated areas surrounding Tucson is necessary for our area to receive the fair amount of the state shared revenue we deserve based on calculated population within the cities and towns. In order to have the needed funds for our community to prosper and deliver the services necessary for maintaining a vibrant city this must be accomplished.

Our region suffers because so many residents live in the unincorporated areas of Pima County. This causes less revenue to be generated for our cities and towns to provide basic services causing quality of life issues and extreme budget constraints. The present shared state revenue situation is not sustainable for the long term greater good of our region given the challenges we face.

Sincerely,

A handwritten signature in cursive script that reads "Paul N. Weitman". The signature is written in black ink and is positioned above the typed name.
