Signature Requirements [A.R.S. §§16-341(E)(F)]

The number of valid signatures on the “Nomination Other Than by Primary” (NOP) petition must be at least three percent (3%) of the total number of registered voters who are NOT members of a qualified political party (Democratic, Republican, or Libertarian). For Council Member candidates, the total is calculated using the total number of registered voters in the ward for which the candidate is seeking office. According to State law, the number of valid signatures required on NOP petitions will be based on the voter registration figures for the City of Tucson as of March 1, 2019. The City Clerk will provide signature requirements after that date.

Any registered voter can sign the petition for an NOP candidate, as long as they have not already signed a petition for another candidate running for the same office. For Council Member candidates, the signer must live in, and be a registered voter of, the ward for which the candidate is seeking office. [A.R.S. §16-341(F)]
