CITY CLERK'S
RECEIVED

Dear Mr. Randolph:

This letter serves to notify the City Clerk that the committee **Tucsonans for Democratic Leadership** has made an additional expenditure of \$2,120 on printing fees and \$650 on design fees, to produce campaign mailers. The expenditures were made today, August 18, 2011, based on invoices received yesterday and today.

These expenditures are made in relation to the primary election in Ward 1. Specifically, our committee made the expenditures to promote the defeat of candidate Joe Flores and the election of candidate Regina Romero. We have targeted Flores for defeat due to his history of preying on Tucson families with 400% interest payday loans, and continuing to prey on hardworking families with 200% auto-title loans as well.

We decided to advocate explicitly for Romero's reelection because of her strong history of standing up for Tucson families and neighborhoods, and her embodiment of The Democratic Party's values.

The following persons/committees have contributed \$500 or more to our independent expenditure committee, Tucsonans for Democratic Leadership:

- Pima County Democratic Party	\$5,000 contribution made on 7/13/11
Chair, Jeff Rogers	\$3,700 contribution made on 7/21/11
Treasurer, Paul Durham	<u>\$5,000 contribution made on 8/10/11</u>
	\$13,700 total

Thank you,

David Higuera
Treasurer
