OFFICE OF THE
CITY CLERK

Dear Mr. Randolph:

In compliance with the City of Tucson's independent expenditure reporting requirements (Section 12-110, updated 3/11/2011), this letter serves to notify the City Clerk that the committee **Tucsonans for Democratic Leadership** has made an additional expenditure of \$1,311.37 on postage for a mailer to voters. This expenditure was made today, August 17, 2011. Additionally, we are expecting an invoice soon for printing fees incurred yesterday and today, estimated to be about \$2,400.00

These expenditures are made in relation to the primary election in Ward 1. Specifically, our committee made the expenditures to promote the defeat of candidate **Joe Flores**, due to his history of issuing triple-digit payday loans to members of our community, and continuing to issue triple-digit auto-title loans as well.

The following persons/committees have contributed \$500 or more to our independent expenditure committee, Tucsonans for Democratic Leadership:

- Pima County Democratic Party	\$5,000 contribution made on 7/13/11
Chair, Jeff Rogers	\$3,700 contribution made on 7/21/11
Treasurer, Paul Durham	<u>\$5,000 contribution made on 8/10/11</u>
	\$13,700 total

Thank you,

David Higuera
