RE: Annual Report of West University Historic Zone Advisory Board

Dear City Clerk:

Pursuant to Tucson City Code § 10A-139(c) this letter shall constitute the annual report from the West University Historic Zone Advisory Board (WUHZAB) for 2012.

The Board held eight regular monthly meetings and one special meeting during 2011. The purpose of the meetings was to review proposed modifications to the exteriors of buildings or proposed new construction in the West University Historic District. Individual Board members also participated in on-site minor reviews.

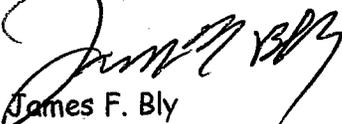

WUHZAB performed ten formal reviews and seven informal reviews. The Board reviewed everything from proposed new fences and walls, to replacement windows, doors, and roofs, to new signs, to major remodels and construction of new residences and/or secondary structures.

WUHZAB appreciates the support we receive from the Boards and Commissions section of the City Clerk's Office.

I am also enclosing with this annual report a record of attendance at our meetings held in 2012.

Thank you for your attention.

Sincerely,

James F. Bly  
Chairperson  
WUHZAB
