RE: Annual Report of Armory Park Historic Zone Advisory Board for 2012

Dear City Clerk:

Pursuant to Tucson City Code 10A-139(c), this letter shall constitute the annual report from the Armory Park Historic Zone Advisory Board for the year 2012.

The Board held two regular meetings and one special meeting. The purpose of the meetings was to review proposed modifications to the exteriors of buildings or proposed new construction in the Armory Park Historic District. Individual board members also participated in on-site minor reviews.

The proposed modifications to existing buildings included restoration of additions, repair of rear porch, improvement of windows and replacement of roofs. New construction included a garage, and proposed guest house.

Individual on-site minor reviews dealt with replacement or new roofs, walls and fences, and installation of solar panels.

The APHZAB received excellent assistance and support from the staff of Boards and Commissions in the City Clerk's Office.

I am also enclosing the record of attendance at our meetings held in 2012.

Thanks you for your attention.

Sincerely,

Nadine H. Rund
