

MEMORANDUM

CITY OF TUCSON
RECEIVED

15 FEB 13 12:41

TO: The Honorable Mayor
and Council Members

DATE: February 12, 2015

FROM: Roger W. Randolph
City Clerk

SUBJECT: Commission On Disability Issues (CODI) 2014 Annual Report

The Commission on Disability Issues did not meet during 2014 due to issues with being able to convene a quorum.

However, CODI's Services/Programs/Activities/Architectural Barriers (SPAA) Subcommittee did meet once in May and discussed the updated report of City ADA Projects and the establishment of a regular contact with the City's Office of Equal Opportunity Programs.

New members have recently been appointed to CODI, so meetings are anticipated to resume in 2015. Currently, the Commission has five (5) vacancies which may be filled.

Please contact my office if you have questions regarding this matter.

Respectfully,

Roger W. Randolph
City Clerk
