7. Proposed Minor Service Changes

Motion: A motion was made to tell the Mayor and Council that the Transit Task Force (TTF) sees bus service not as a place to cut \$1.1 M or \$2.4M from the budget and request that they find another way to cover that deficiency. Meanwhile TTF could look at these proposed changes to see if there are efficiencies that can bring savings that we can then reallocate to try to address some of the deficiencies we have in our system such as putting back frequencies that we cut on the 15 and the 7, such as opening some of those frequency windows, for example mid-day frequencies that only go for a few hours maybe could go for an extra hour.

Seconded

Passed: Unanimously
