Pima County Office of Sustainability
and Conservation

1. Call to Order - Introductions
2. Discussion: At its meeting on July 6, the Mayor and Council will consider a resolution taking a position against the anti-solar provisions requested in TEP's rate case before the Arizona Corporation Commission.

To lend support to the resolution, it would be helpful to have a few people attend the upcoming City Council meeting on Tuesday, 21-Jun-16, at 5:30 pm.

We'll meet to discuss talking points and prepare for the City Council meeting the following day.

3. Adjournment

No votes on TPCMEC matters will be taken at this meeting.

“Serving as a catalyst for the City of Tucson and Pima County to build a more sustainable energy future.”
