CASE NO.

THE APPLICANT

**C10-16-08 FRIEL/PARISI GARAGE CONVERSION / MICHAEL FRIEL AND JANET
PARISI / 1202 EAST ALTA VISTA STREET, R-2**

The appellants, Michael Friel and Janet Parisi are appealing the Planning and Development Services Director's (PDSD) decision to deny Design Development Option (DDO) Case DDO-16-27. Case DDO-16-27 is a request to convert an existing detached garage to habitable space with reduced side and rear perimeter yard setbacks. The appellants filed a Design Development Option (DDO) application with the Planning and Development Services Department requesting the zoning approval necessary to allow the detached garage to be converted with existing setbacks closer to the property's south and east lot lines. The DDO application was denied by PDSD Director, finding the project not in compliance with Tucson *Unified Development Code (UDC)* Section 3.11.1.D.1.f, g, i, j and 2.b and e. The appellants are requesting a reversal of the Planning and Development Services Director's decision to deny DDO-16-27.
