

MEMORANDUM

DATE: September 23, 2016

TO: Roger W. Randolph
City Clerk

FROM: Greg Jackson
Management Coordinator
Economic Initiatives Office

SUBJECT: Tucson Convention Center Commission – 2015 Annual Report

The Tucson Convention Center Commission met seven times in 2015, with the February meeting canceled because of a conflict with the Gem Show and the March, July, August and November meetings canceled because a quorum of the members could not be established.

Several of the Commission meetings focused on the new signage around the facility, TCC Today's projects on the Eckbo Plaza as well as the convention center projects included in the 2015 Pima County bond campaign. Visit Tucson provided a report each month and Park Tucson presented information on the new parking meters in downtown.

There were no changes in commission appointees during the year.

Cc: Tucson Convention Center Commission
