

**ZONING EXAMINER'S AGENDA**

**Thursday, November 14, 2019**

City Hall - First Floor  
Mayor and Council Chambers  
255 West Alameda  
Tucson, Arizona 85701

**CALL TO ORDER - 6:00 P.M.**

**ADMINISTRATION OF OATH TO PERSONS WISHING TO TESTIFY**

**PUBLIC HEARING**

**1. C9-19-19 Alvernon & Drexel, R-1 to C-2 Zone (Ward 5)**

Proposed Development: This is a request to rezone four parcels totaling approximately 2.62 acres from R-1 to C-2 to allow a mixed-use infill development with specific C-2-allowed uses to be determined at a later time. The rezoning site is located on the west side of Alvernon Way approximately 900 feet north of Drexel Road. The application is submitted under the Opportunity Zone (OZ) program, initiated and administered by the U.S. Department of Treasury. The OZ identifies areas throughout the City that are currently underserved, including distressed neighborhoods, and encourages reinvestment through the provision of tax benefits for low income communities through a qualified Opportunity Fund.

*Engineer/Architect:* Scott Kelley  
Greenlight Traffic Engineering  
14050 N 83<sup>rd</sup> Avenue, Suite 290  
Peoria, AZ 85381

2. **SE-19-18 Arizona Auto Parts – Littletown Road, I-2 Zone (Ward 4) (Continued from October 3, 2019 and October 24, 2019)**

Proposed Development:

This is a request by Lexy Wellott of The Planning Center, on behalf of the property owner, Arizona Auto Parts and JDL & Company LLC, for approval of a Special Exception Land Use to allow an automotive salvage yard and scrap material recycling operation with outdoor storage and processing/intake area. The special exception site is approximately 27 acres located along the north side of Littletown Road approximately 1,600 feet east of Wilmot Road (see Case Location Map). The preliminary development plan (PDP) proposes a two-phase development of the auto salvage yard, with the first phase located in the eastern portion of the property surrounding an existing 12,918 square foot building. The second and final phase will complete the build-out in the western portion of the property and will include construction of a smaller, 2,500 square foot building with recycled material storage and processing area in the back. The northernmost portion of the site located within the Pima Air Museum Wash, a regulatory FEMA floodplain area which is designated as a proposed Environmental Resource Zone, will remain undeveloped. Ingress-egress for the site is provided by way of a single existing paved drive from Littletown Road.

*Engineer/Architect:*

**4. C9-19-18 Houghton Reserve – Houghton & Broadway, SR to R-1 FLD and C-1 Zones (Ward 2)**

Proposed Development: This is a request to rezone approximately 99.5 acres located north and east of N. Houghton Road and E. Broadway Boulevard intersection. The preliminary development plan proposes 243 lots for one- and two-story single-family homes and two commercial lots, one north of the existing commercial development and one to the east of the existing commercial development.
