RE: Annual Report of West University Historic Zone Advisory Board

Dear City Clerk;

Pursuant to Tucson City Code § 10A-139(c) this letter shall constitute the annual report from the West University Historic Zone Advisory Board (WUHZAB) for 2010.

The Board held ten regular monthly meetings and two special meetings during 2010. The purpose of the meetings was to review proposed modifications to the exteriors of buildings or proposed new construction in the West University Historic District. Individual Board members also participated in on-site minor reviews.

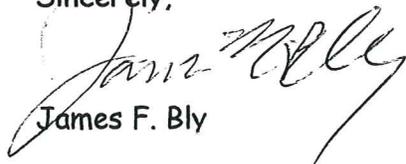

WUHZAB reviewed everything from proposed new business signs, new fences and walls, and replacement windows, doors, and roofs to major remodels and construction of new residences.

WUHZAB appreciates the support we receive from the Boards and Commissions section of the City Clerk's Office.

I am also enclosing with this annual report a record of attendance at our meetings held in 2010.

Thank you for your attention.

Sincerely,

James F. Bly

Chairperson  
WUHZAB
