RE: Annual Report of El Presidio Historic Zone Advisory Board

Dear City Clerk,

Pursuant to Tucson City Code 10A-139(c) This letter shall constitute the annual report from the El Presidio Historic Zone Advisory Board (EPHZAB) for 2010

The Board held three meetings during 2010. The purpose of the meetings was to review proposed new construction and modifications to exterior of buildings in the El Presidio Historic District. El Presidio is a small district, and holds meetings upon request on the first Monday of the month, or as needed.

EPHZB reviewed two informal proposals of a new planned construction of a duplex , and one formal review of an addition to a historical property.

Enclosed is included a record of attendance of our meetings held in 2010.

Sincerely,

Ilya Sloan
Vice Chair, El Presidio Historic Zone Advisory Board
