

# MEMORANDUM

---

**DATE:** March 22, 2011

**TO:** Boards, Committees and Commissions  
Chairs and Support Staff

**FROM:** Karen Rahn  
Transportation Program  
Coordinator

**SUBJECT: Stormwater Advisory Committee – Annual Reports and Attendance Rosters**

In February 2010, the Stormwater Advisory Committee (SAC) sent a letter to Jim Glock, Transportation Department Director, asking that the Stormwater Advisory Committee no longer be facilitated by the Department of Transportation. They recommended at that time that a copy of the SAC Mission Statement go back to the Mayor and Council where a decision should be made as to what departments would better support the issues and appeals that are typically brought before committee.

On March 24, 2010, Jim Glock sent a memo to the City Attorney's Office requesting that they assist in discussions of this issue and the revisions of the necessary City Code and ordinances required to implement the changes requested by the SAC.

The Stormwater Advisory Committee has not met since that time.
