OPTION 1: DEFENSIVE DRIVING PROGRAM

(Attend defensive driving school to remove one traffic violation from your driving record)

Arizona statutes allow you to remove one traffic violation from your driving record every two years by completing Defensive Driving School (DDS). If you are eligible, the DDS Program is available for one violation on your ticket (complaint) if it is listed in the shaded areas on page 5 and 6 of this bond card. All additional violations on your ticket (complaint) must be processed through the court.

Eligibility:

You may be eligible to attend Defensive Driving School if you meet ALL of the following conditions:

- Your ticket was for a civil moving violation
You have not attended Defensive Driving School for any Arizona civil traffic violation in the last 24 months
Your ticket (complaint) was not issued as the result of a collision in which any person was seriously injured or killed
Your case is not set for a hearing
Commercial Driver License (CDL) holders are not eligible for Defensive Driving School
Advantages of Attending Defensive Driving School:
You will not pay a fine for one traffic violation
You will not have to go to court for that violation
That violation will be dismissed
There are no points against your license for that violation

Convictions of ARS 28-645A3A or 28-647.1 will require attendance at Traffic Survival School (MVD Requirement).

You must enroll and complete DDS seven (7) days prior to the appearance date indicated on your traffic ticket (complaint).

For a list of qualified Tucson City Court defensive driving schools, please call 1-888-334-5565 or go to http://www.supreme.state.az.us/driveschoolinfo/

OPTION 2: CIVIL COMPROMISE

Defendants cited for a civil traffic violation involving a car accident may appear in court by their arraignment date to request a Civil Compromise form and to obtain an extension to complete the form. This is an agreement between the defendant and the victim(s) in a civil traffic case that can result in the dismissal of one violation. The completed form must then be presented to the court for acceptance no later than the due date given.

OPTION 3: BICYCLE SAFETY DIVERSION PROGRAM

Defendants cited for a civil traffic violation(s) while operating a bicycle may appear in court by their arraignment date to request an extension to participate in this program. Proof of completion must then be submitted to the court by the due date for acceptance and a dismissal of all charges.

OPTION 4: PAY BOND AMOUNT BY MAIL

(Responsible)

If you are charged with a civil traffic violation listed on the Civil Traffic Fine Schedule (see pages 5 and 6) and you do not want a hearing, you may pay the ticket (complaint) following the instructions below and sign the following statement:

I hereby enclose payment for the violation(s) listed on my Arizona Traffic Ticket and Complaint Form. I waive my right to a hearing, enter a plea of responsible and consent to judgment imposing the prescribed fine. I will lose the privilege to attend DDS, complete a civil compromise or a Bicycle Safety Diversion Program. I understand I do not have to appear in court.
