

Household Hazardous Waste Program Changes Beginning July 1, 2013

Beginning in July 2013, the Tucson/Pima County Household Hazardous Waste Program is changing the 2nd Saturday Outreach Collection to a “mobile” event. Every month, the collection event will be held in a different neighborhood so that more Tucsonans will have easy access to the program. Here’s what you need to know:

- 1st Saturday Collection event will be held each month at the Eastside Service Center, 7575 E. Speedway Blvd., 8:00 a.m. – 12:00 noon. Enter the collection site by turning north on Prudence and proceeding to the event.
- 2nd Saturday Collection event previously held at the Tucson Water Plant #2, 1102 W. Irvington is closing and rotating locations monthly. **See the schedule on the next page.** This change is intended to make the collection events accessible for residents throughout the community

Look at the schedule to find the collection event near you or download the ‘my-waste’ App to your smart phone! The Main Facility and the Los Reales Landfill Satellite Facility will still be available during the regularly scheduled hours.
