FIRE CHIEF**

**FIRE PREVENTION
DIVISION**

December 26, 2012

Ursula Kramer
Steering Committee Chair
Household Hazardous Waste Program
2440 W. Sweetwater Drive
Tucson, AZ

Dear Ms Kramer,

This is to inform you that due to my upcoming retirement from the Tucson Fire Department, I will be resigning my position on the Household Hazardous Waste Steering committee effective February 1, 2013.

I have enjoyed working with the committee members on a number of issues affecting the HHW program.

Captain Jeff Langejans will be recommended to the City Manager to be appointed to fill my position. Although Captain Langejans does not have extensive experience in the world of hazardous waste, he has spent the last two months attending a number of training classes in preparation for his new assignment.

I am confident that I am leaving the HHW program is in good hands.

Respectfully,

Mike Jones
Captain
Fire Prevention Division
Tucson Fire Department
