

Business Owner/Operator,

Thank you for your interest in the Small Business Waste Assistance Program (SBWAP). The SBWAP provides an affordable and environmentally safe alternative for a business for proper disposal of its hazardous waste at the Household Hazardous Waste facility. To be eligible to use the program your business must:

- \*be classified as a Very Small Quantity Generator;
- \*operate and generate its waste within Pima County;
- \*general waste that is approved by the SBWAP; and
- \*register with the SBWAP.

Enclosed you will find a SBWAP certification form. Fill out and return the certification form to:

Small Business Waste Assistance Program  
2440 W. Sweetwater Drive  
Tucson, AZ 85705

For quicker response you may **FAX the forms to: (520) 888-6967**. There is no charge for registration, and once registered you may bring materials by appointment only by calling 850-3098

We can set up an appointment for delivery of your materials to the facility. Appointments are scheduled for any **Wednesday or Thursday morning from 7:30 to 11:30 am**. Please call in advance and bring or FAX material Safety Data Sheets (SDS) for the materials you are disposing of. The fees charged (shown on the fee schedule), cover the cost of disposal. In addition to the disposal fee, a handling fee and/or and evaluation fee may be assessed. The fee is payable at the time of delivery, and may be paid with cash, check, money order (payable to the City of Tucson), or credit card.

If you have any questions regarding registration with the SBWAP or approval of your hazardous waste, call 690-5749 for assistance.

Sincerely,

*Martin Bey*
