

17-STEP BUSINESS LICENSE PROCESS FOR THE CITY OF TUCSON

The following 17-step business licensing process was created and developed as a guide to assist City of Tucson business license applicants in successfully completing the business licensing process. This guide will be applicable to the majority of businesses seeking a Service License, Business Privilege License, or Liquor License to operate or conduct business within the City of Tucson. **Please read through every step before starting your license process!**

Note: Some professions and careers (e.g., attorney, cosmetologist/barber, psychologist, mortician, etc.) require additional State of Arizona licensing or certification requirements. Please check with the specific department of the State of Arizona in which your area of expertise may be handled. A list of those departments may be found in the “blue pages” of the telephone directory. The state chapter of your professional association may also be able to assist you regarding these additional requirements.

**We wish you much success.
