SUMMARY OF CHANGES
PROJECT BASED VOUCHERS
PHA PLAN FOR FISCAL YEAR 2016
February 18, 2015

Current utilization and expected funding levels afford the PHA to convert up to 200 additional Housing Choice Vouchers to Project Based Vouchers to support to support affordable housing development or the retention of affordable housing to transitional housing programs previously funded through the HUD Continuum of Care funding. The proposal selection procedures will be in accordance with 24 CFR 983.51

Exceptions to 25 Percent per Project Cap [24CFR 983.56(b), FR Notice 11/24/08]

The PHA will expand exceptions to include families receiving supportive services (also known as *qualifying families*.) The PHA defines supportive services to mean that one or more members of the family receive 4 or more hours of group or individual case management services per month.
