This is notification for Avondale Neighborhood Association's annual meeting to be held on:

November 4, 2013, at Streams in the Desert Lutheran Church, 5360 E. Pima, from **6:30 to 8:00** P.M.

The primary purpose for this meeting is:

To elect new officers for the next two year term. If no members of Avondale become candidates for office, then a steering committee of at least four members can volunteer for the purpose of continuing the association until officers are elected.

When and if that occurs, the steering committee would dissolve. Should no one volunteer for the steering committee, then two options are possible: --designating a person to keep the email list current and operational, thereby continuing to function as a neighborhood association or --dissolving Avondale.

All of the above options, except for dissolving, keep Avondale functioning.

Should we lose neighborhood status, we would no longer be

- recognized by the Tucson mayor and council.
- We would no longer receive notifications from the City of Tucson or the neighborhood network.
- Receiving roll offs twice a year would stop, and
- we would no longer have meetings, where police officers and other professionals inform us with crime statistics or discuss their efforts to help prevent crime.
- We would no longer be eligible for grant monies, such as those used to install lights at intersections.

Should we decide to continue as an association, there is the possibility of expanding Avondale from Craycroft to Wilmot, and Speedway to Pima. This would require a vote of

application from members of the new area, and a vote of acceptance from members, who live within Avondale's current boundaries.

The above serves as an agenda for the November 4th meeting.
