- Gil Geurin
Former President, CANA

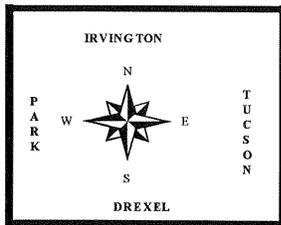

Greetings and Hello from the Cherry Avenue Neighborhood Association

We are not a home owner's Association. There are no fees or dues to be part of the Neighborhood Association. We are an association of neighbors that want to make our neighborhood a clean, safe and enjoyable environment for all people that live in our neighborhood.

A total of 4,200 house holds encompass the Cherry Avenue Neighborhood Association with borders of Irvington to the north Drexel to the south, Park Ave. to the west and Tucson Blvd. to the east.

You do not have to own your home to be part of or attend the Association meetings. Meetings are currently bi-monthly, and are approximately an hour long. Share your concerns with the rest of us so we know what is going on in your block and so that we may help you solve your problems and concerns. Remember that the February 20, Meeting will be officer's elections.
