

South Harrison Neighborhood Association

Established 1996

Who is the South Harrison Neighborhood Association? We are a group of neighbors who care what happens in our community. We are **not** a homeowner association. We do not tell you what color you can paint your house. In the past we have had speakers from the police department, representatives from Ward 4 council office have come to our meetings to hear our concerns and provide us with relevant information. We have had builders come to our meetings to present their plans and hear our concerns. We have also had recent presentations from the Pima County Attorney's office, Tucson dept of Environmental Services, Flandreau Planetarium, and Eastside Neighbors Volunteer Program to name a few. The association is responsible for the builder putting the traffic light at Bonanza and Golf Links Road.

We have informative and interesting meetings and everyone is welcome to attend. The boundaries of the Association are Golf Links on the North, Irvington on the South, Houghton Road on the East, and Pantano Wash on the West.

Our next meeting will be Tuesday, February 23, 2010 at 6:30 p.m. We will have a representative from Ward 4. Our meetings normally end by 8:00 p.m. The meetings are held at the William M. Clements Center at 8155 E. Poinciana Drive. Future meeting dates will be May 25, 2010, September 28, 2010 and November 30, 2010. Contact person for the group is Glen Parin at 721-6835

There are a number of issues coming up in the near future, such as the Houghton Road widening project, sale of land on the southeast side, and various commercial and residential builders with plans for us to review. Come and see what you are missing.
