## New Meeting Format

Ricardo Harding

Hello, neighbors!

Our last meeting was held at Hundred Palms due to Steele Elementary being closed for Martin Luther King holiday.

***It was decided that the next meeting would be moved to March 9 to coincide with the P.T.A. of Steele Elementary. The P.T.A. meeting will occur at 6:00 PM and the regular Broadway Pantano East Neighborhood Association will follow at 7:00. Both groups are encouraged to participate in the meetings. If you choose to attend our meeting only that will be fine.***

This is an experimental attempt to get more people involved in both organizations. If we decide to go back to our normal situation of having our own meeting separately we can do so at our option. Due to the budget cuts that have occurred with the City of Tucson this notification will be the last of our newsletters and postcards. Brad Holland from the Pima County Attorney's office will speak to our group again about self-protection and the changes DPS is facing due to budget cuts. We will also have a member of our community, Mike Erickson, speak about inexpensive Digital cameras in relation to home security.

Communication of future meetings will most likely be via e-mail or telephone because we cannot afford the cost of mailing. We are still trying to find a replacement for the Protection Committee Chair and the Secretary. If one of our neighbors has knowledge about updating our Web Site please call. If someone out there has any ideas, or an inside track, for a sponsored mailing, please contact me at [RHarding@cox.net](mailto:RHarding@cox.net). ***Due to Tucson Unified School System budget woes there is a plan to close Steele Elementary School and have all of the students attend Wheeler Elementary. If you are opposed to this let the school board know via e-mail or letter.***

The City of Tucson is still trying to adjust the budget and many cuts are still happening. This newsletter contains a listing of those individuals who work for the city earn more than \$100,000 per year. There are another 400 employees that earn more than \$90,000 per year. The City Charter protects these salaries. The only way these salaries can be reduced is through a vote to change the Charter.

Plus a 5% reduction from the rest of the city's salaries.

On top of their Salary, What other benefits are offered to them.

1. Benefits 43.6% (includes health insurance, retirement, vacation pay, sick pay plus ??????? pay)

There is so much monetary waste at every city department level, that what is needed is an internal watch dog unit to look into alleged waste.

### Fraud Alert

You have the right to ask that nationwide consumer reporting agencies place "fraud alerts" in your file to let potential creditors and others know that you may be a victim of identity theft.

A fraud alert can make it more difficult for someone to get credit in your name because it tells creditors to follow certain procedures to protect you. It also may delay your ability to obtain credit. You may place a fraud alert in your file by calling just one of the three nationwide credit reporting companies. As soon as that company processes your fraud alert, it will notify the other two, which then also must place fraud alerts in your file.

- Equifax: 1-800-525-6285; [www.equifax.com](http://www.equifax.com)
- Experian: 1-888-397-3742; [www.experian.com](http://www.experian.com)
- TransUnion: 1-800-680-7289; [www.transunion.com](http://www.transunion.com)

An **initial fraud alert** stays in your file for at least 90 days. An **extended alert** stays in your file for seven years. To place either of these alerts, a consumer reporting agency will require you to provide appropriate proof of your identity, which may include your Social Security number. If you ask for an extended alert, you will have to provide an **identity theft report**. An identity theft report includes a copy of a report you have filed with a federal, state or local law enforcement agency, as well as additional information a consumer reporting company may require you to submit. For more detailed information about the identity theft report, visit [www.consumer.gov/idtheft](http://www.consumer.gov/idtheft).

In order to protect your identity, you must submit a written request to remove the fraud alert from your credit file. Please send your request to: TransUnion, P.O. Box 6790, Fullerton, CA 92834.

Difference between Fraud Alert and Security Freeze is found on Terry Goddard's site: <http://www.azag.gov/consumer/SecurityFreeze/>
