Housing Choice Voucher Program
Rental Increase Request Procedure

A landlord can submit a rental increase to the City of Tucson Housing and Community Development Department. When the request is received it is logged on the spreadsheet entitled “Request for Rental Increase” and the request will be entered in the spreadsheet under the appropriate year.

The assigned Housing Specialist will complete a Rent Reasonableness in accordance with 24 Code of Federal Regulations (CFR) 982.507(4), which stated: “at all times during the assisted tenancy the rent to owner may not exceed the reasonable rent as most recently determined or re-determined by the PHA.”

The Housing Specialist will submit the Request for Rental Increase Form and Rent Reasonableness for the request to the Community Service Manager or his/her designee to review completeness, rent reasonableness and timeliness of submission.

If approved, the Community Service Manager or his/her designee will send notification to the landlord of the new contract amount and the effective date of the increase; if the request is denied the landlord will receive a denial letter for the request.

When the request is approved the Housing Specialist will process an annual recertification or interim change for the new approved contract rent.
Landlord Rental Increase Request Instructions

A request for rental increase must comply with all of the following requirements before the City of Tucson Housing and Community Development (City of Tucson HCD) can approve the request.

A request for a rental increase must comply with all of the following requirements before the City of Tucson HCD can approve the request:

1. You must provide confirmation that your tenant will sign an amended lease agreement for the requested rent. This is verified by having the tenant sign the Rent Increase Request form prior to submission to City of Tucson HCD.

2. All rental rent adjustments will be effective the first of the month following 60 days after the receipt of the owner’s request or on the date specified by the owner whichever is later.

3. The amount requested cannot exceed the rents for comparable unassisted units in the same neighborhood of the assisted unit.

4. For multi-family apartment building or complex with four (4) or more units, please submit your current rent schedule.

A Rent Reasonableness test is conducted for all rental increase request submitted. If the results of this test indicate that an amount less than your current contract rent should be paid, the City of Tucson Housing and Community Development (CITY OF TUCSON HCD) is required to reduce your contract rent accordingly. This is mandated by the 24 Code of Federal Regulations (CFR) 982.507(4), which states: “at all times during the assisted tenancy the rent to owner may not exceed the reasonable rent as most recently determined or re-determined by the PHA.”

In addition, please note the procedures for processing a Rental Increase Request:

1. Only one (1) request per unit will be processed by CITY OF TUCSON HCD during any twelve (12) month period.

2. Submit a new lease addendum accepting the approved annual rent increase.

IMPORTANT NOTICE:
Tenant portion may increase by some or the entire approved rental increase amount.
