## A NOTE FROM THE PRESIDENT

It was the year of the Volunteer

It's a great day in Midvale Park.

This year was highlighted with 4 Adopt-a-parks; Grijalva, Oak Tree, the Santa Cruz River and El Paseo de los Arboles, and the Mid-Section Channel. Each of the first 4 Saturdays of every month volunteers made Midvale Park clean and beautiful. We came out at 8am and by 9am we were done. About 2000 volunteer hours have been recorded.

Efforts at El Paseo de los Arboles really paid off. This beautiful area along the Santa Cruz River had damaged signs and missing trees. Well, the trees have been replaced. The tree markers have been installed. Soon the sign will all be replaced. \$10,000 was allocated from Pima County for the work.

Due to the success, we will now volunteer at the West Branch every 3<sup>rd</sup> Saturday. Check Facebook for the location. People that would like to volunteer but don't want to work with our group can continue at the Santa Cruz. Contact Tucson Clean and Beautiful for more information.

Events were big too. We celebrated El Tour de Tucson, had our Christmas potluck, we put together Easter baskets for Grijalva Elementary, and dedicated our newest ball field to the memory of US Army Specialist Christopher J. Moon.

You should be proud. You have done a lot. Our schools are improving. Our public safety is improving. Our parks and washes are improving. It's a testament to your hard work. I want to thank you for everything you have done and continue to do.

It's a great day in Midvale Park!

### HELP YOU CAN TRUST

[HTTPS://WWW.AZAG.GOV/AZMORTGAGERESOURCE](https://www.azag.gov/azmortgageresource)

Many Arizona families are still trying to recover from the devastating effects of the mortgage crisis. If you're a homeowner and burdened by

an unaffordable mortgage, have fallen behind with your payments or think you may be a victim of fraud, you've found a trusted resource here. The Attorney General's Office has successfully obtained funds from the National Mortgage Settlement to help distressed homeowners in Arizona. Whatever your mortgage problem is, even if you've been turned down for mortgage assistance in the past; need to lower your monthly payments because your home has lost

value or you've lost your job, there are more resources available today. Let us help you find the resources you need to make the informed decisions about your home. HUD-approved housing counselors are available throughout the state (at no cost to you) and are knowledgeable experts in your community who can find the programs, legal assistance or resources that may help you, regardless of your circumstances.

NEIGHBORHOOD ASSOCIATION NEWSLETTER

## Why Do Parks and Public Areas Need to be Adopted?

City and county government budgets are not large enough to resolve the litter problem in our community. This is why Tucson Clean & Beautiful (TCB) began implementing a model Adopt-a-Park program in 1984. Tucson Clean & Beautiful works in partnership with both city and county governments to help maintain Tucson's beautiful environment. Sincere community commitment, involvement and ownership have made this program highly successful. Over 280 public areas including parks, streets, and washes are now adopted by dedicated citizens of all ages.

### Who Can Adopt a Park or Public Area?

Any recognized community group willing to make an ongoing volunteer commitment throughout the year may participate. Civic associations, schools, neighborhoods, churches, military, scout and other community groups as well as businesses have made an ongoing commitment to clean up and control litter.

### What Commitment Must an Adoptive Group Make?

We ask for a commitment to conduct a cleanup and monitor the adopted site twice each month. Volunteer work report

forms are provided to record volunteer hours and for easy notification if repairs are needed or if unsafe conditions exist at the adopted site, especially any dangerous or unsafe conditions, vandalism, or graffiti. These reports help TCB ensure that each site is clean and appropriately maintained as a positive community resource for all to use. If reporting forms are not received on a regular basis, TCB asks the group leader to renew its commitment or to let another group adopt the site.

### What Areas in the Community Can Be Adopted?

Tucson Clean & Beautiful oversees the Adopt-a-Park, Adopt-a-Street and Adopt-a-Wash programs for the City of Tucson, as well as the Adopt-a-Park program for Pima County. Other public sites such as bikeways, desert areas, alleys, and even entire neighborhoods, are also eligible for adoption. Neighborhood associations are encouraged to request information about the Adopt-a-Park program. Contact TCB with your site suggestion.

### How Do We Conduct a Clean-up?

Groups can organize themselves to clean at any time throughout the year. Please call TCB to make arrangements in advance for any

litter bags, supplies, and disposal assistance. Then, return a volunteer work form to notify TCB of your clean-up to record the group's volunteer hours and report any maintenance problems found at the adopted site.

### Do We Get Recognized?

After an evaluation period is completed by ongoing volunteer groups, a sign is placed to recognize the group's commitment to their adopted site. Once a sign is placed, the group is acknowledged at a public ceremony. An agreement is signed at the ceremony to reinforce the group's ongoing commitment to care for their adopted site. TCB also works with volunteer groups for one-time projects, but these are not recognized with a sign or ceremony.

### How Do We Sign Up?

### What Commitment Must an Adoptive Group Make?

We ask for a commitment to conduct a cleanup and monitor the adopted site twice each month. Volunteer work report

forms are provided to record volunteer hours and for easy notification if repairs are needed or if unsafe conditions exist at the adopted site, especially any dangerous or unsafe conditions, vandalism, or graffiti. These reports help TCB ensure that each site is clean and appropriately maintained as a positive community resource for all to use. If reporting forms are not received on a regular basis, TCB asks the group leader to renew its commitment or to let another group adopt the site.

### What Areas in the Community Can Be Adopted?

Tucson Clean & Beautiful oversees the Adopt-a-Park, Adopt-a-Street and Adopt-a-Wash programs for the City of Tucson, as well as the Adopt-a-Park program for Pima County. Other public sites such as bikeways, desert areas, alleys, and even entire neighborhoods, are also eligible for adoption. Neighborhood associations are encouraged to request information about the Adopt-a-Park program. Contact TCB with your site suggestion.

### How Do We Conduct a Clean-up?

Groups can organize themselves to clean at any time throughout the year. Please call TCB to make arrangements in advance for any

litter bags, supplies, and disposal assistance. Then, return a volunteer work form to notify TCB of your clean-up to record the group's volunteer hours and report any maintenance problems found at the adopted site.

### Do We Get Recognized?

After an evaluation period is completed by ongoing volunteer groups, a sign is placed to recognize the group's commitment to their adopted site. Once a sign is placed, the group is acknowledged at a public ceremony. An agreement is signed at the ceremony to reinforce the group's ongoing commitment to care for their adopted site. TCB also works with volunteer groups for one-time projects, but these are not recognized with a sign or ceremony.

## A NOTE FROM THE PRESIDENT

It was the year of the Volunteer

It's a great day in Midvale Park. This year was highlighted with 4 Adopt-a-parks; Grijalva, Oak Tree, the Santa Cruz River and El Paseo de los Arboles, and the Mid-Section Channel. Each of the first 4 Saturdays of every month volunteers made Midvale Park clean and beautiful. We came out at 8am and by 9am we were done. About 2000 volunteer hours have been recorded.

Efforts at El Paseo de los Arboles really paid off. This beautiful area along the Santa Cruz River had damaged signs and missing trees. Well, the trees have been replaced. The tree markers have been installed. Soon the sign will all be replaced. \$10,000 was allocated from Pima County for the work.

Due to the success, we will now volunteer at the West Branch every 3<sup>rd</sup> Saturday. Check Facebook for the location. People that would like to volunteer but don't want to work with our group can continue at the Santa Cruz. Contact Tucson Clean and Beautiful for more information.

Events were big too. We celebrated El Tour de Tucson, had our Christmas potluck, we put together Easter baskets for Grijalva Elementary, and dedicated our newest ball field to the memory of US Army Specialist Christopher J. Moon.

You should be proud. You have done a lot. Our schools are improving. Our public safety is improving. Our parks and washes are improving. It's a testament to your hard work. I want to thank you for everything you have done and continue to do.

It's a great day in Midvale Park!

### HELP YOU CAN TRUST

[HTTPS://WWW.AZAG.GOV/AZMORTGAGERESOURCE](https://www.azag.gov/azmortgageresource)

Many Arizona families are still trying to recover from the devastating effects of the mortgage crisis. If you're a homeowner and burdened by

an unaffordable mortgage, have fallen behind with your payments or think you may be a victim of fraud, you've found a trusted resource here. The Attorney General's Office has successfully obtained funds from the National Mortgage Settlement to help distressed homeowners in Arizona. Whatever your mortgage problem is, even if you've been turned down for mortgage assistance in the past; need to lower your monthly payments because your home has lost

value or you've lost your job, there are more resources available today. Let us help you find the resources you need to make the informed decisions about your home. HUD-approved housing counselors are available throughout the state (at no cost to you) and are knowledgeable experts in your community who can find the programs, legal assistance or resources that may help you, regardless of your circumstances.

## Why Do Parks and Public Areas Need to be Adopted?

City and county government budgets are not large enough to resolve the litter problem in our community. This is why Tucson Clean & Beautiful (TCB) began implementing a model Adopt-a-Park program in 1984. Tucson Clean & Beautiful works in partnership with both city and county governments to help maintain Tucson's beautiful environment. Sincere community commitment, involvement and ownership have made this program highly successful. Over 280 public areas including parks, streets, and washes are now adopted by dedicated citizens of all ages.

### Who Can Adopt a Park or Public Area?

Any recognized community group willing to make an ongoing volunteer commitment throughout the year may participate. Civic associations, schools, neighborhoods, churches, military, scout and other community groups as well as businesses have made an ongoing commitment to clean up and control litter.

### What Commitment Must an Adoptive Group Make?

We ask for a commitment to conduct a cleanup and monitor the adopted site twice each month. Volunteer work report

forms are provided to record volunteer hours and for easy notification if repairs are needed or if unsafe conditions exist at the adopted site, especially any dangerous or unsafe conditions, vandalism, or graffiti. These reports help TCB ensure that each site is clean and appropriately maintained as a positive community resource for all to use. ## Why Do Parks and Public Areas Need to be Adopted?

City and county government budgets are not large enough to resolve the litter problem in our community. This is why Tucson Clean & Beautiful (TCB) began implementing a model Adopt-a-Park program in 1984. Tucson Clean & Beautiful works in partnership with both city and county governments to help maintain Tucson's beautiful environment. Sincere community commitment, involvement and ownership have made this program highly successful. Over 280 public areas including parks, streets, and washes are now adopted by dedicated citizens of all ages.

### Who Can Adopt a Park or Public Area?

Any recognized community group willing to make an ongoing volunteer commitment throughout the year may participate. Civic associations, schools, neighborhoods, churches, military, scout and other community groups as well as businesses have made an ongoing commitment to clean up and control litter.

### What Commitment Must an Adoptive Group Make?

We ask for a commitment to conduct a cleanup and monitor the adopted site twice each month. Volunteer work report

forms are provided to record volunteer hours and for easy notification if repairs are needed or if unsafe conditions exist at the adopted site, especially any dangerous or unsafe conditions, vandalism, or graffiti. These reports help TCB ensure that each site is clean and appropriately maintained as a positive community resource for all to use. If reporting forms are not received on a regular basis, TCB asks the group leader to renew its commitment or to let another group adopt the site.

### What Areas in the Community Can Be Adopted?

Tucson Clean & Beautiful oversees the Adopt-a-Park, Adopt-a-Street and Adopt-a-Wash programs for the City of Tucson, as well as the Adopt-a-Park program for Pima County. Other public sites such as bikeways, desert areas, alleys, and even entire neighborhoods, are also eligible for adoption. Neighborhood associations are encouraged to request information about the Adopt-a-Park program. Contact TCB with your site suggestion.

### How Do We Conduct a Clean-up?

Groups can organize themselves to clean at any time throughout the year. Please call TCB to make arrangements in advance for any

litter bags, supplies, and disposal assistance. Then, return a volunteer work form to notify TCB of your clean-up to record the group's volunteer hours and report any maintenance problems found at the adopted site.

### Do We Get Recognized?

After an evaluation period is completed by ongoing volunteer groups, a sign is placed to recognize the group's commitment to their adopted site. Once a sign is placed, the group is acknowledged at a public ceremony. An agreement is signed at the ceremony to reinforce the group's ongoing commitment to care for their adopted site. TCB also works with volunteer groups for one-time projects, but these are not recognized with a sign or ceremony.

## A NOTE FROM THE PRESIDENT

It was the year of the Volunteer

It's a great day in Midvale Park.

This year was highlighted with 4 Adopt-a-parks; Grijalva, Oak Tree, the Santa Cruz River and El Paseo de los Arboles, and the Mid-Section Channel. Each of the first 4 Saturdays of every month volunteers made Midvale Park clean and beautiful. We came out at 8am and by 9am we were done. About 2000 volunteer hours have been recorded.

Efforts at El Paseo de los Arboles really paid off. This beautiful area along the Santa Cruz River had damaged signs and missing trees. Well, the trees have been replaced. The tree markers have been installed. Soon the sign will all be replaced. \$10,000 was allocated from Pima County for the work.

Due to the success, we will now volunteer at the West Branch every 3<sup>rd</sup> Saturday. Check Facebook for the location. People that would like to volunteer but don't want to work with our group can continue at the Santa Cruz. Contact Tucson Clean and Beautiful for more information.

Events were big too. We celebrated El Tour de Tucson, had our Christmas potluck, we put together Easter baskets for Grijalva Elementary, and dedicated our newest ball field to the memory of US Army Specialist Christopher J. Moon.

You should be proud. You have done a lot. Our schools are improving. Our public safety is improving. Our parks and washes are improving. It's a testament to your hard work. I want to thank you for everything you have done and continue to do.

It's a great day in Midvale Park!
