Narratives

Summary of Distribution and Uses of NSP Funds:

25% of the funds (\$520,942.75) will be used for acquisition and rehabilitation of housing to be rented to households at or below 50% area median income. \$1,354,451.65 will be used for acquisition and rehabilitation for resale through the Pima County Community Land Trust to households whose income is between 50% and 80% area median income. 10% or \$208,377.10, will be used to administer the NSP 3 program.

July 26, 2012: Substantial amendment approved May 2012, adding to the target area of greatest need. This area covers Campbell and Irvington, east to Country Club, south to Drexel, west to Campbell and north back to Irvington.

January 08, 2013: Substantial amendment approved by City of Tucson Mayor and Council (and forwarded and approved by HUD field office) to add the following census tracts, increasing the target area with the greatest need:

4019004104 AZ

4019002505 AZ

4019002506 AZ

How Fund Use Addresses Market Conditions:

The target area will benefit with NSP 3 funding as vacant and foreclosed homes become occupied. The City of Tucson will leverage other services and funding in the target area to bring about a transformational change to the area and its residents. Services and programs that this department is responsible for that can be targeted in this area include:

- > code enforcement efforts (within the department is a Code Enforcement Division)
- > HOME dollars (proposals could be sought for rental or homeownership projects)
- > Human services program funding (both CDBG and City funding)
- > Home rehabilitation funding (federal funding sources)
- > Historic preservation efforts (the City's Historic Preservation Office is within this department)
- > Down payment assistance (federal sources)

>The targeted effort by the City of Tucson will result in an increase in private sector investment, which will speed the transformation of the area. With the public attention that has resulted from the City's planning work in the Oracle Area Revitalization Plan area, several large private sector investments have been made.

Ensuring Continued Affordability:

Rental units will be rented through the City of Tucson El Portal program, with rents not to exceed low-home rents, published annually, as established by HUD. Resale units will be sold through the Pima County Community Land Trust. These sales shall have a 99-year leasehold agreement, automatically renewable for an additional 99 years, with a resale restriction that limits equity to 25%. All initial buyers and subsequent buyers must be between 50% and 80% area median income. All mortgages shall not exceed 35% of their gross annual income.

Definition of Blighted Structure:

Blighted structures shall be defined by reference to the City of Tucson's Neighborhood Preservation Ordinance (NPO) Section 16-14 titled "Dilapidated and Vacant Buildings and Structures; Building and Structures Constituting a Nuisance" and; Section 16-20 titled Slum Properties, and the definitions section from Arizona Revised Statutes Title 36 - Public Health and Safety Article 3 - Slum Clearance

and Redevelopment (1471). (2) and (18)&rdquoBlighted Area&rdquo and &ldquoSlum Area&rdquo. The City of Tucson will not set aside any NSP 3 funding for demolition.

Definition of Affordable Rents:

Affordable rents shall not exceed low HOME rents as defined by HUD by bedroom size.

Housing Rehabilitation/New Construction Standards:

The City of Tucson&rsquos NSP Rehabilitation Standards can be found at the following link:
<http://cms3.tucsonaz.gov/sites/default/files/hcd/NSP%20REHAB%20SPECS%201-09.pdf>
>In addition, the City will, at a minimum, meet the City&rsquos Bronze certification for green rehabilitation, which meets all HUD requirements. See link here to City of Tucson Residential Green Building Rating System:
><http://cms3.tucsonaz.gov/files/dsd/CityofTucsonGreenBuildingProgram.pdf>

Vicinity Hiring:

>The City of Tucson will follow the Section 3 regulations and the City&rsquos Section 3 Plan and ensure that not less than 30% of new hires by contractors and sub-contractors will be Section 3 eligible persons. For hiring new employees, to the maximum extent feasible, affirmative marketing of any position openings will be directed to the NSP 3 Target Area, and a preference will be given to qualified residents.

Procedures for Preferences for Affordable Rental Dev.:

For contractor hiring, to maximum extent feasible, affirmative marketing will be directed to qualified contractors who reside within the NSP 3 Target area and preferences will be given to any qualified small businesses.

Overall Progress Narrative:

NSP 3 - The following is progress thru June 30, 2013:

NSP3 25% Set-aside for individuals/families at or below 50% AMI has been exceeded with the purchase of 2 >triplexes and one single-family unit. Both tri-plexes and single-family unit have had rehabilitation work >completed, and have been assigned to the City of Tucson's EI Portal rental program. Of the 7 units, 4 are occupied,

>one is scheduled for lease signing in July, and 2 are vacant. Beneficiary data is included in this QPR.

NSP3 Resale progresses as the City of Tucson continues to purchase homes within the NSP3 boundaries, conveys >to the Pima County Community Land Trust (PCCLT) for the rehabilitation and sale to qualified buyers. Four homes were

>purchased by the City of Tucson and conveyed to PCCLT for rehabilitation work and resale during this quarter.

>Addresses are:

3014 E. Via Genovesa (SFR)

>1961 W. Burgundy (SFR)

>6303 S. Sun View Way (SFR)

>2102 E. Highland (SFR)

The above addresses, in addition to 6290 S. High Hope Lane (closed last quarter) have had Scopes of Work completed

>for the rehabilitation phase, totaling \$305,952.00. PCCLT has applied for a \$250,000.00 grant from Pima County bond funds to complete the rehabilitation work for the 5 above-mentioned homes in effort to leverage NSP dollars.

Results should

>be awarded in September 2013. Should PCCLT not receive the award, NSP3 funds will be used for the rehabilitation phase.

Additional addresses and status of Resale activity:

PCCLT did not sell any homes during this quarter.

1516 W. Delaware Street (SFR) - Rehabilitation work has been completed (by PCCLT); home is available for purchase

>2720 E. Liverpool (SFR) - Rehabilitation work has been completed (by PCCLT); home is available for purchase

>1838 N. Silver Mountain Place (SFR) - Still in rehabilitation phase (by PCCLT)

Angela Reviere, HUD CPD Specialist, conducted an audit of the NSP1 program during the quarter, and offered consultation services to improve the NSP1 and NSP3 programs. Cloudburst staff arrived in July, met with City of Tucson and PCCLT staff.

>Results of their visit will be included in the next QPR.

City of Tucson staff conducted a monitoring visit at the PCCLT office on June 21st. Results will be shared with

>PCCLT, HUD CPD Specialist, and Cloudburst consultants.

Activity Description:

The acquisition and rehabilitation will address local housing market conditions by focusing on abandoned and foreclosed properties that are depressing single family home values and the entire neighborhoods that they are in. The initial impact of rehabilitating the homes results in a cleaned-up curb appeal with landscaping and exterior improvements, which in our experience with NSP 1 and 2, results in neighboring property owners addressing visual issues with their own properties. approximately 4 homes will be transferred to the City's El Portal program for permanent rental

Location Description:

The target area that is proposed for the NSP 3 grant meets all three objectives &ndash it incorporates the Oracle Area Revitalization Plan boundaries, it has a NSP 3 score of 17.03, and it is not within the NSP 2 target area.

- >
- >The Planning Department for the City of Tucson has spent several years working in an area called the Oracle Area Revitalization Area, or OARP. OARP was originally selected for comprehensive planning work due to the following factors:
- >
- >It is an area that once was the shining gateway to Tucson and the downtown area that has since become run down, with older motels along the Oracle Road corridor, high crime, many underutilized properties and older, substandard commercial and residential structures, a substantial population of low income persons, and numerous human services agencies that serve the area population in need. Despite this reality, the area boasted many attributes that warranted the allocation of staff resources to push the revitalization effort. Among these attributes:
- >
- >• The proximity to the downtown area (with the Interstate, it is still considered a gateway to Tucson and the downtown area);
- >• The proximity to the University of Arizona.
- >• The potential for revitalization. Several recent investments and developments have begun the march toward revitalization.
- >• The proximity to the Pima Community College Downtown Campus, which is within the OARP boundaries;

>• The historic nature of the commercial properties, with many historic businesses (such as motor court hotels) that catered to the historical purpose of the Oracle Road corridor, which was the primary road into Tucson prior to the construction of Interstate 10.

The initial impact of rehabilitating the homes results in a cleaned-up curb appeal with landscaping and exterior improvements, which in our experience with NSP 1 and 2, results in neighboring property owners addressing visual issues with their own properties. By selling these homes through the Pima County Community Land Trust, the homes are occupied as soon as possible, eliminating the vacant property issue for neighborhoods. We will purchase the homes at not less than one-percent below appraised value and sell them at market value, which helps stabilize housing prices in these neighborhoods. The Pima County Community Land Trust homes will be leased for a period of 99 years, which is automatically renewable for a second 99 year period.
