**Statement of Housing Needs and Strategy for Addressing Housing Needs**

The City of Tucson and Pima County Consortium will look for opportunities to expand affordable housing in the City of Tucson especially 2- and 3-bedroom units that are within meet the income limits of less than 30% since the majority of both the Public Housing and HCV programs meet that threshold. These opportunities include homeownership for both the HCV and Public Housing programs. To address deconcentration the Consortium will look to expand to other areas of Pima County where the poverty levels are lower than 30%. The City of Tucson will convert units to meet the needed accessibility requirements of our families in the Public Housing program.

The City of Tucson in partnership with the Tucson Pima Collaborative to End Homelessness (TPCH) to promote Permanent Supportive Housing Exits to either PH or HCV units and vouchers under the "Move-On" strategy. Especially those persons that have been in stable housed for 1 year: established regular income; actively engaged with medical and/or behavioral health support and minimal need of regular case management. In addition, the PHA and TPCH will review the need for a VI-SPAT score for those transiting under the Homeless Preference Program to another measurable tool for those that are in greater need than others.

The PHA will use Housing Navigators to assist families with locating units that have been unable to units that are on a voucher. And lastly, the PHA will investigate housing needs for older adults through vouchers, PH units or other affordable housing options tor provide to meet the needs of those that are on limited income and unable to secure housing with their current resources.

### **Operations Management**

During the Fiscal Year the City of Tucson had to adjust operations based on the COVID-19 pandemic which impacted (1) rent collections (2) work-orders (3) unit make ready's and (4) inspections. There was a rent moratorium implemented by both the Federal government through December 2020 and another by the CDC through March 2021 which impacts residents paying rent and the enforcement to imposing late fees. The City of Tucson sent monthly notices to families "reminding" them of the balance owed during the pandemic and for them to make payment arrangements to address the balance before the moratorium is lifted and the PHA move to evictions.

In addition, work-orders were limited to emergency only to reduce the spread of the virus; and based on limited staffing the department utilized "jock" contractors to assist with unit make-readies to continue the leasing process. Housekeeping and UPCS inspections were placed on hold. Those inspections should resume later than the effective date of this plan July 1, 2021.

The City of Tucson will work complete the Designated Housing Plan for the Landers Garden (AZ004100115), MLK (AZ004700120) and Silverbell Homes (AZ004000065). The agency will continue investigate the feasibility of implementation of a designated housing plan for Tucson House since it is currently under the planning grant with the expectation to submit for a planning grant.

The agency is currently participating in Connect Homes to decrease the digital divide between residents and Wi-Fi connection. In addition, the Department will work with the City of Tucson on their efforts to provide Community Wireless which is a private network to offer basic internet to residents of the city which includes our PH and HCV participants.

Pima County will collaborate with the behavioral health organizations and COMPASS to implement a program entitled Invest that would work with re-entry individuals that have been incarcerated to obtain supportive services and housing.

### **Grievance Procedures**

See attachment for Grievance Policy

### **Homeownership Programs**

The City of Tucson/Pima County HCV Program implemented the Homeownership Program in 2020 and is working on closing the 1<sup>st</sup> participate of the program. The Agency will move forward with distributing information to encourage more participants of the program.

The City of Tucson PH program is currently reviewing completing a Physical Needs Assessment for the PH portfolio to develop a plan for the over 400 single family homes that the PHA owes. If they would like to turn those homes into affordable homeownership options for residents or low-income families.

### **Community Service and Self-Sufficiency Programs**

The Community Service requirements have been suspended through June 30, 2021 based on the pandemic under PIH Notice 2020-033 the residents aren't subject for compliance until their next annual recertification after the availability period of June 30, 2021.

Family-Self Sufficiency orientation workshops for the Family Self-Sufficiency Program will resume virtually to allow participation in the program since workshops were temporarily halted due to the virus.

**Safety and Crime Prevention**

the City of Tucson will continue to look for opportunities to increase safety in their communities by applying for the Safety and Crime Prevention grant provided by HUD.

**Pet Policy**

The City of Tucson adopted a Pet Policy for the Public Housing Program July 1, 2018 and since then the program has implemented the breed restriction for those animals that are not identified as a service animal.

**Asset Management**

Each AMP is monitored monthly to determine areas for operations that need to be addressed quickly. The Department is looking to improve operations by implementing an electronic work order and inventory system. In addition, to implementation of electronic payment options. The City of Tucson will have a completed physical needs assessment that will asset the PH program on how to proceed with inventory, capital investment, rehabilitation and modernization.

**Substantial Deviation**

- (1) Any change in the planned or actual use of federal funds for activities that would prohibit or redirect the Housing Authority's strategic goals of increasing the availability of decent, safe and affordable housing for the citizens of the City of Tucson and Pima County
- (2) A need to respond immediately to Acts of God beyond the control of the Housing Authority, such as earthquakes, civil unrest, or another unforeseen significant event.
- (3) A mandate from local government officials, specifically the governing board of the Housing Authority, to modify, revise, or delete the long-range goals and objectives of the program.
- (4) Any single or cumulative annual change in the planned or actual use of federal funds identified in the 5-year plan that exceeds \$1,000,000 of the City of Tucson/Pima County Consortiums annual program budgets for the Housing Choice Voucher or Public Housing Programs activities will require an amendment and additional approval.
- (5) Any Capital Fund project or non-emergency work items that are not included in the current Annual Statement or Capital Fund 5-year Action Plan in an amount less than \$1,000,000 will not require an amendment to the plan or additional approval.

- (1) change to the HCV Administrative Plan or the ACOP that would change the rent, admissions, policies, or pet policies as significant amendments or substantial deviations/modifications.
- (2) Any changes to the aforementioned that are a direct result of conversion activities included in the plan will not be considered a substantial deviation/modification.
- (3) Any change with regard to additional demolition or disposition, designation, or conversion activities not contemplated in this plan would be constituted as a significant amendment.

Any revision to the City of Tucson/Pima County PHA consortium plans and/or policies adopted or implemented as a result of a Presidential Order, Congressional appropriation or legislation, HUD revision to any program regulation governing the HCV or PH programs or funding stream, or editorial changes such as additional detailed language provided for clarification of activities will not be considered a significant amendment or modification to the 5-year plan. In addition, any Changes in the use of replacement reserve funds under the Capital Fund program in an amount that is greater than \$1,000,000

- (c) The PHA must submit its Deconcentration Policy for Field Office review.

**Deconcentration of Poverty and Income-Mixing [24 CFR 903.1 and 903.2]**

The PHA's admission policy must be designed to provide for deconcentration of poverty and income-mixing by bringing higher income tenants into lower income projects and lower income tenants into higher income projects. A statement of the PHA's deconcentration policies must be included in its annual plan [24 CFR 903.7(b)].

The PHA's deconcentration policy must comply with its obligation to meet the income targeting requirement [24 CFR 903.2(c)(5)].

Developments subject to the deconcentration requirement are referred to as 'covered developments' and include general occupancy (family) public housing developments. The following developments are not subject to deconcentration and income mixing requirements:

developments operated by a PHA with fewer than 100 public housing units; mixed population or developments designated specifically for elderly or disabled families; developments operated by a PHA with only one general occupancy development; developments approved for demolition or for conversion to tenant-based public housing; and developments approved for a mixed-finance plan using HOPE VI or public housing funds [24 CFR 903.2(b)].

Steps for Implementation [24 CFR 903.2(c)(1)]

To implement the statutory requirement to deconcentrate poverty and provide for income mixing in covered developments, the PHA must comply with the following steps:

Step 1. The PHA must determine the average income of all families residing in all the PHA's covered developments. The PHA may use the median income, instead of average income, provided that the PHA includes a written explanation in its annual plan justifying the use of median income.

PHA POLICY

The PHA will determine the average income of all families in all covered developments on an annual basis.

Step 2. The PHA must determine the average income (or median income, if median income was used in Step 1) of all families residing in each covered development. In determining average income for each development, the PHA has the option of adjusting its income analysis for unit size in accordance with procedures prescribed by HUD.

PHA POLICY

The PHA will determine the average income of all families residing in each covered development (not adjusting for unit size) on an annual basis.

Step 3. The PHA must then determine whether each of its covered developments falls above, within, or below the established income range (EIR), which is from 85% to 115% of the average family income determined in Step 1. However, the upper limit must never be less than the income at which a family would be defined as an extremely low-income family (30% of median income).

Step 4. The PHA with covered developments having average incomes outside the EIR must then determine whether or not these developments are consistent with its local goals and annual plan.

Step 5. Where the income profile for a covered development is not explained or justified in the annual plan submission, the PHA must include in its admission policy its specific policy to provide for deconcentration of poverty and income mixing.

Depending on local circumstances the PHA's deconcentration policy may include, but is not limited to the following:

- Providing incentives to encourage families to accept units in developments where their income level is needed, including rent incentives, affirmative marketing plans, or added amenities
- Targeting investment and capital improvements toward developments with an average income below the EIR to encourage families with incomes above the EIR to accept units in those developments
- Establishing a preference for admission of working families in developments below the EIR
- Skipping a family on the waiting list to reach another family to further the goals of deconcentration
- Providing other strategies permitted by statute and determined by the PHA in consultation with the residents and the community through the annual plan process to be responsive to local needs and PHA strategic objectives

A family has the sole discretion whether to accept an offer of a unit made under the PHA's deconcentration policy. The PHA must not take any adverse action toward any eligible family for choosing not to accept an offer of a unit under the PHA's deconcentration policy [24 CFR 903.2(c)(4)].

If, at annual review, the average incomes at all general occupancy developments are within the EIR, the PHA will be considered to be in compliance with the deconcentration requirement and no further action is required.

PHA POLICY

For developments outside the EIR the PHA will take the following actions to provide for deconcentration of poverty and income mixing:

Policy does not exist at this time but based on site-based waiting list implementation and its impact on PHA's public housing developments, it may be required in the future.

Order of Selection [24 CFR 960.206(e)]

The PHA system of preferences may select families either according to the date and time of application or by a random selection process.

PHA POLICY

Families will be selected from the waiting list based on preference. Among applicants with the same preference, families will be selected on a first-come, first-served basis according to the date and time their complete application is received by the PHA.

When selecting applicants from the waiting list the PHA will match the characteristics of the available unit (unit size, accessibility features, unit type) to the applicants on the waiting lists. The PHA will offer the unit to the highest-ranking applicant who qualifies for that unit size or type, or that requires the accessibility features.

By matching unit and family characteristics, it is possible that families who are lower on the waiting list may receive an offer of housing ahead of families with an earlier date and time of application or higher preference status.

Factors such as deconcentration or income mixing, and income targeting will also be considered in accordance with HUD requirements and PHA POLICY.

#### **12-IV.E. DECONCENTRATION**

PHA Policy for this deconcentration is associated with the transfer policy for the PHA program

If subject to deconcentration requirements, the PHA will consider its deconcentration goals when transfer units are offered. When feasible, families above the Established Income Range will be offered a unit in a development that is below the Established Income Range, and vice versa, to achieve the PHA's deconcentration goals. A deconcentration offer will be considered a "bonus" offer; that is, if a resident refuses a deconcentration offer, the resident will receive one additional transfer offer.

### **B.2 New Activities.**

(a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

#### **Hope VI or Choice Neighborhoods**

The City of Tucson was awarded the Choice Neighborhood Planning Grant and the agency is looking forward to submitting the Implementation Grant during the next fiscal year to address the needs of the Tucson House and the surrounding area.

There were several principles that guided the work at the Tucson House: While Tucson House needs substantial rehabilitation to the housing units and the infrastructure systems, it can be rehabilitated and transformed into a wonderful place to live for its residents and can become an asset to the neighborhoods that surround it; the transformation of Tucson House is committed to creating a community that is: mixed-income, mixed-use, respecting the rights of return of residents after rehabilitation, aging-in-place, high quality environmental design, intergenerational, and focused on economic development and social justice; and to make Tucson House a community asset by providing much-needed on-site services to residents and adjoining neighbors.

The Choice Neighborhoods Transformation Plan also includes specific target metrics for housing opportunities such as: rehabilitate Tucson House, add community amenities, and house assisted living on the lower floors to allow for aging-in-place; build 450 new units in four or five separate projects utilizing partners currently underway in their LIHTC efforts; several City-owned vacant parcels are suitable for homeownership development and have been vetted through a community charrette process, where input was gathered and design-related requirements expressed by the charrette participants; additional scattered site homeownership units may be achieved through land-banking of City of Tucson owned-parcels, tribal-owned parcels in Old Pascua village, and acquisition of new parcels throughout the area.

Included in the plan are goals to: address conditions needed to support safe, connected, vibrant, sustainable Complete Neighborhoods with access to quality housing affordable to all income ranges; establish Drachman as a major mixed-use, mixed-income multi-modal destination and a gateway to downtown that supports the needs of Tucson House residents and the Choice Neighborhoods while bridging the Miracle Mile Historic District with a future that celebrates heritage, families, diversity, inclusion, technology, innovation, entrepreneurship and the arts; identify beautification and public art efforts and involve local non-profit organizations to work with neighborhoods in the identification of beautification and blight abatement programs and funding sources aimed at enhancing the distinct character of each neighborhood.

	<p>The Transformation Plan also includes the development of new and improved high quality affordable housing within the larger Choice Neighborhoods area. The Choice Area sits just north of Downtown Tucson and is the logical next frontier for a community experiencing incipient gentrification. The Choice Neighborhood strategy is to develop a hedge against this evolving gentrification process and to get ahead of it by building new permanent affordable housing and improving the existing affordable housing to allow current owners and renters to stay in place.</p> <p><b><u>Mixed Finance Modernization or Development</u></b> The City of Tucson will continue to investigate opportunities and establish a plan for mixed finance modernization or development. Once the needs assessment is completed for the portfolio the PHA will have the ability to provide better direction on how it will proceed with modernization and development.</p> <p><b><u>Demolition and/or Disposition</u></b> The City of Tucson published the Physical Needs Assessment and is currently waiting on the completion of the assignment to determine a plan for modernization, disposition, or Rental Assistance Demonstration.</p> <p><b><u>Conversion of Public Housing to Tenant-Based Assistance</u></b> The City of Tucson will investigate the feasibility of converting scattered units to Tenant Based Assistance either through rental or HCV homeownership opportunities.</p> <p><b><u>Project-Based Vouchers</u></b> The City of Tucson and Pima County will look at issuing a Request for Proposal for additional PBV vouchers for units throughout the city and county jurisdiction to assist with expanding housing options for families. Pima County will collaborate with the Pima County Justice System to allow vouchers for participants who have recently been jailed and are in need housing with the supportive services, etc.</p> <p><b><u>Units with Approved Vacancies for Modernization</u></b> The City of Tucson has a total of 5 units under modernization: AZ004000048 (1 unit – ceiling damaged due to main water line repair), AZ004300110 (3 units – all are being converted to UFAS units) and the unit under AZ004400111 – modernization casualty loss (1 unit – resident fire damage casualty loss). The PHA will continue unit upgrades associated with cabinets, roofing, and other modernization efforts to improve unit conditions.</p> <p><b><u>Other Capital Grant Program</u></b> The City of Tucson will look into opportunities to apply for Emergency Safety and Security Grants.</p>
<p><b>B.3</b></p>	<p><b>Civil Rights Certification.</b></p> <p>Form HUD-50077, <i>PHA Certifications of Compliance with the PHA Plans and Related Regulations</i>, must be submitted by the PHA as an electronic attachment to the PHA Plan.</p>

# Grievance Policy

## Chapter 14

### **GRIEVANCES AND APPEALS INTRODUCTION**

This chapter discusses grievances and appeals pertaining to PHA actions or failures to act that adversely affect public housing applicants or residents. The policies are discussed in the following three parts:

Part I: Informal Hearings for Public Housing Applicants. This part outlines the requirements and procedures for informal hearings for public housing applicants.

Part II: Informal Hearings with Regard to Noncitizens. This part discusses informal hearings regarding citizenship status and where they differ from the requirements for general applicant and tenant grievances.

Part III: Grievance Procedures for Public Housing Residents. This part outlines the requirements and procedures for handling grievances for public housing residents.

Note that this chapter is not the PHA's grievance procedure. The grievance procedure is a document separate from the ACOP. This chapter of the ACOP provides the policies that drive the grievance procedure.

### **PART I: INFORMAL HEARINGS FOR PUBLIC HOUSING APPLICANTS**

#### **14-I.A. OVERVIEW**

When the PHA makes a decision that has a negative impact on an applicant family, the family is often entitled to appeal the decision. For applicants, the appeal takes the form of an informal hearing. HUD regulations do not provide a structure for or requirements regarding informal hearings for applicants (except with regard to citizenship status, to be covered in Part II). This part discusses the PHA policies necessary to respond to applicant appeals through the informal hearing process.

#### **14-I.B. INFORMAL HEARING PROCESS [[24 CFR 960.208\(a\)](#) and [PH Occ GB, p. 58](#)]**

Informal hearings are provided for public housing applicants. An applicant is someone who has applied for admission to the public housing program but is not yet a tenant in the program. Informal hearings are intended to provide a means for an applicant to dispute a determination of ineligibility for admission to a project [24 CFR 960.208(a)]. Applicants to public housing are not entitled to the same hearing process afforded tenants in the PHA grievance procedure [24 CFR [966.53\(a\)](#) and PH Occ GB, p. 58].

Informal hearings provide the applicant a means to hear the details of the reasons for rejection, and an opportunity to present evidence to the contrary if available, and to claim mitigating circumstances if possible.

##### **Use of Informal Hearing Process**

While the PHA must offer the opportunity of an informal hearing to applicants who have been determined as ineligible for admission, the PHA could make the informal hearing process available to applicants who wish to dispute other PHA actions that adversely affect them.

##### PHA Policy

The PHA will only offer informal hearings to applicants for the purpose of disputing denials of admission.

##### **Notice of Denial [[24 CFR 960.208\(a\)](#)]**

The PHA must give an applicant prompt notice of a decision denying eligibility for admission. The notice must contain a brief statement of the reasons for the PHA decision and must also state that the applicant may request an informal hearing to dispute the decision. The notice must describe how to obtain the informal hearing.

Prior to notification of denial based on information obtained from criminal or sex offender registration records, the family, in some cases, must be given the opportunity to dispute the information in those records which would be the basis of the denial. See Section 3-III.G for details concerning this requirement.

##### **Scheduling an Informal Hearing**

##### PHA Policy

A request for an informal hearing must be made in writing and delivered to the PHA either in person, by fax, e-mail or by first class mail, by the close of the business day, no later than 10 business days from the date of the PHA's notification of denial of admission.

The PHA will schedule and send written notice of the informal hearing within 10 business days of the family's request.

##### **Conducting an Informal Hearing [[PH Occ GB, p. 58](#)]**

##### PHA Policy

The informal hearing will be conducted by a person other than the one who made the decision under review, or a subordinate of this person.

The applicant will be provided an opportunity to present written or oral objections to the decision of the PHA.

The person conducting the informal hearing will make a recommendation to the PHA, but the PHA is responsible

### **Informal Hearing Decision [[PH Occ GB](#), p. 58]**

#### PHA Policy

The PHA will notify the applicant of the PHA's final decision, including a brief statement of the reasons for the final decision.

In rendering a decision, the PHA will evaluate the following matters:

Whether or not the grounds for denial were stated factually in the notice

The validity of grounds for denial of admission. If the grounds for denial are not specified in the regulations or in PHA policy, then the decision to deny assistance will be overturned. See Chapter 3 for a detailed discussion of the grounds for applicant denial.

The validity of the evidence. The PHA will evaluate whether the facts presented prove the grounds for denial of admission. If the facts prove that there are grounds for denial, and the denial is required by HUD, the PHA will uphold the decision to deny admission.

If the facts prove the grounds for denial, and the denial is discretionary, the PHA will consider the recommendation of the person conducting the informal hearing in making the final decision whether to deny admission.

The PHA will notify the applicant of the final decision, including a statement explaining the reason(s) for the decision. The notice will be mailed via USPS first class confirmation, within 10 business days of the informal hearing, to the applicant and his or her representative, if any.

If the informal hearing decision overturns the denial, processing for admission will resume.

If the family fails to appear for their informal hearing, the denial of admission will stand, and the family will be so notified.

### **Reasonable Accommodation for Persons with Disabilities [[24 CFR 966.7](#)]**

Persons with disabilities may request reasonable accommodations to participate in the informal hearing process and the PHA must consider such accommodations. The PHA must also consider reasonable accommodation requests pertaining to the reasons for denial if related to the person's disability. See Chapter 2 for more detail pertaining to reasonable accommodation requests. for making the final decision as to whether admission should be granted or denied.

## **PART II: INFORMAL HEARINGS WITH REGARD TO NONCITIZENS**

### **14-II.A. HEARING AND APPEAL PROVISIONS FOR NONCITIZENS [24.CER.5.514]**

Denial or termination of assistance based on immigration status is subject to special hearing and notice rules. These special hearings are referred to in the regulations as informal hearings, but the requirements for such hearings are different from the informal hearings used to deny applicants for reasons other than immigration status.

Assistance to a family may not be delayed, denied, or terminated on the basis of immigration status at any time prior to a decision under the United States Citizenship and Immigration Services (USCIS) appeal process. Assistance to a family may not be terminated or denied while the PHA hearing is pending, but assistance to an applicant may be delayed pending the completion of the informal hearing.

A decision against a family member, issued in accordance with the USCIS appeal process or the PHA informal hearing process, does not preclude the family from exercising the right, that may otherwise be available, to seek redress directly through judicial procedures.

#### **Notice of Denial or Termination of Assistance [24 CFR 5.514(d)]**

As discussed in Chapters 3 and 13, the notice of denial or termination of assistance for noncitizens must advise the family of any of the following that apply:

- That financial assistance will be denied or terminated and provide a brief explanation of the reasons for the proposed denial or termination of assistance.
- The family may be eligible for proration of assistance.
- In the case of a tenant, the criteria and procedures for obtaining relief under the provisions for preservation of families [24 CFR 5.514 and 5.518].
- That the family has a right to request an appeal to the USCIS of the results of secondary verification of immigration status and to submit additional documentation or explanation in support of the appeal.
- That the family has a right to request an informal hearing with the PHA either upon completion of the USCIS appeal or in lieu of the USCIS appeal.
- For applicants, assistance may not be delayed until the conclusion of the USCIS appeal process, but assistance may be delayed during the period of the informal hearing process.

#### **United States Citizenship and Immigration Services Appeal Process [24.CER.5.514(e)]**

When the PHA receives notification that the USCIS secondary verification failed to confirm eligible immigration status, the PHA must notify the family of the results of the USCIS verification. The family will have 30 days from the date of the notification to request an appeal of the USCIS results. The request for appeal must be made by the family in writing directly to the USCIS. The family must provide the PHA with a copy of the written request for appeal and proof of mailing.

#### **PHA Policy**

The PHA will notify the family in writing of the results of the USCIS secondary verification within

10 business days of receiving the results.

The family must provide the PHA with a copy of the written request for appeal and proof of mailing within 10 business days of sending the request to the USCIS.

The family must forward to the designated USCIS office any additional documentation or written explanation in support of the appeal. This material must include a copy of the USCIS document verification request (used to process the secondary request) or such other form specified by the USCIS, and a letter indicating that the family is requesting an appeal of the USCIS immigration status verification results.

The USCIS will notify the family, with a copy to the PHA, of its decision. When the USCIS notifies the PHA of the decision, the PHA must notify the family of its right to request an informal hearing.

#### PHA Policy

The PHA will send written notice to the family of its right to request an informal hearing within 10 business days of receiving notice of the USCIS decision regarding the family's immigration status.

#### **Informal Hearing Procedures for Applicants [[24 CFR 5.514\(f\)](#)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, an applicant family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of denial, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for applicant families are described below.

#### ***Informal Hearing Officer***

The PHA must provide an informal hearing before an impartial individual, other than a person who made or approved the decision under review, and other than a person who is a subordinate of the person who made or approved the decision.

#### ***Evidence***

The family must be provided the opportunity to examine and copy at the family's expense, at a reasonable time in advance of the hearing, any documents in the possession of the PHA pertaining to the family's eligibility status, or in the possession of the USCIS (as permitted by USCIS requirements), including any records and regulations that may be relevant to the hearing.

#### PHA Policy

The family will be allowed to copy any documents related to the hearing at a cost of \$.25 per page. The family must request discovery of PHA documents no later than 12:00 p.m. 2 business days prior to the hearing.

The family must be provided the opportunity to present evidence and arguments in support of eligible status. Evidence may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The family must also be provided the opportunity to refute evidence relied upon by the PHA, and to confront and cross-examine all witnesses on whose testimony or information the PHA relies.

#### ***Representation and Interpretive Services***

The family is entitled to be represented by an attorney or other designee, at the family's expense, and to have such person make statements on the family's behalf.

The family is entitled to arrange for an interpreter to attend the hearing, at the expense of the family, or the PHA, as may be agreed upon by the two parties. If the family does not arrange for their own interpreter, the PHA is still obligated to provide oral translation services in accordance with its LEP Plan.

### ***Recording of the Hearing***

The family is entitled to have the hearing recorded by audiotape. The PHA may but is not required to provide a transcript of the hearing.

### **PHA Policy**

The PHA will not provide a transcript of an audio taped informal hearing.

### ***Hearing Decision***

The PHA must provide the family with a written notice of the final decision, based solely on the facts presented at the hearing, within 14 calendar days of the date of the informal hearing. The notice must state the basis for the decision.

### **Retention of Documents [[24 CFR 5.514\(h\)](#)]**

The PHA must retain for a minimum of 5 years the following documents that may have been submitted to the PHA by the family, or provided to the PHA as part of the USCIS appeal or the PHA informal hearing process:

- The application for assistance
- The form completed by the family for income reexamination
- Photocopies of any original documents, including original USCIS documents
- The signed verification consent form
- The USCIS verification results
- The request for a USCIS appeal
- The final USCIS determination
- The request for an informal hearing
- The final informal hearing decision

### **Informal Hearing Procedures for Residents [[24 CFR 5.514\(f\)](#)]**

After notification of the USCIS decision on appeal, or in lieu of an appeal to the USCIS, a resident family may request that the PHA provide a hearing. The request for a hearing must be made either within 30 days of receipt of the PHA notice of termination, or within 30 days of receipt of the USCIS appeal decision.

The informal hearing procedures for resident families whose tenancy is being terminated based on immigration status is the same as for any grievance under the grievance procedures for resident families found in Part III below.

## **PART III: GRIEVANCE PROCEDURES FOR PUBLIC HOUSING RESIDENTS**

### **14-III.A. REQUIREMENTS [24 CFR 966.52]**

PHAs must have a grievance procedure in place through which residents of public housing are provided an opportunity to grieve any PHA action or failure to act involving the lease or PHA policies which adversely affect their rights, duties, welfare, or status.

The PHA grievance procedure must be included in, or incorporated by reference in, the lease.

#### PHA Policy

The PHA grievance procedure will be incorporated by reference in the tenant lease.

The PHA must provide at least 30 days notice to tenants and resident organizations setting forth proposed changes in the PHA grievance procedure and providing an opportunity to present written comments. Comments submitted must be considered by the PHA before adoption of any grievance procedure changes by the PHA.

#### PHA Policy

Residents and resident organizations will have 30 calendar days from the date they are notified by the PHA of any proposed changes in the PHA grievance procedure, to submit written comments to the PHA.

The PHA must furnish a copy of the grievance procedure to each tenant and to resident organizations.

### **14-III.B. DEFINITIONS [24 CFR 966.53; 24 CFR 966.51(a)(2)(i)]**

There are several terms used by HUD with regard to public housing grievance procedures, which take on specific meanings different from their common usage. These terms are as follows:

- **Grievance** – any dispute which a tenant may have with respect to PHA action or failure to act in accordance with the individual tenant’s lease or PHA regulations which adversely affect the individual tenant’s rights, duties, welfare or status
- **Complainant** – any tenant whose grievance is presented to the PHA or at the project management office
- **Due Process Determination** – a determination by HUD that law of the jurisdiction requires that the tenant must be given the opportunity for a hearing in court which provides the basic elements of due process before eviction from the dwelling unit
- **Elements of Due Process** – an eviction action or a termination of tenancy in a state or local court in which the following procedural safeguards are required:
  - Adequate notice to the tenant of the grounds for terminating the tenancy and for eviction
  - Right of the tenant to be represented by counsel
  - Opportunity for the tenant to refute the evidence presented by the PHA including the right to confront and cross-examine witnesses and to present any affirmative legal or equitable defense which the tenant may have
  - A decision on the merits

**Hearing Officer/Panel** – a person/panel selected in accordance with HUD regulations to hear grievances and render a decision with respect thereto.

- **Tenant** – the adult person (or persons) (other than a live-in aide)
  - Who resides in the unit, and who executed the lease with the PHA as lessee of the dwelling unit, or, if no such person now resides in the unit,
  - Who resides in the unit, and who is the remaining head of household of the tenant family residing in the dwelling unit
- **Resident Organization** – includes a resident management corporation

#### **14-III.C. APPLICABILITY [24 CFR 966.51]**

Potential grievances could address most aspects of a PHA's operation. However, there are some situations for which the grievance procedure is not applicable.

The grievance procedure is applicable only to individual tenant issues relating to the PHA. It is not applicable to disputes between tenants not involving the PHA. Class grievances are not subject to the grievance procedure and the grievance procedure is not to be used as a forum for initiating or negotiating policy changes of the PHA.

If HUD has issued a due process determination, a PHA may exclude from the PHA grievance procedure any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises of other residents or employees of the PHA
- Any violent or drug-related criminal activity on or off such premises
- Any criminal activity that resulted in felony conviction of a household member

In states without due process determinations, PHAs must grant opportunity for grievance hearings for all lease terminations, regardless of cause, but may use expedited grievance procedures, as described in Section 14-III.E. below, to deal with the first two of the above three categories of lease terminations.

If HUD has issued a due process determination, the PHA may evict through the state/local judicial eviction procedures. In this case, the PHA is not required to provide the opportunity for a hearing under the PHA's grievance procedure as described above.

#### PHA Policy

The PHA is located in a due process State, therefore it is not required to grant an opportunity for grievance hearings for all lease terminations, regardless of cause.

See Chapter 13 for related policies on the content of termination notices.

#### **14-III.D. INFORMAL SETTLEMENT OF GRIEVANCE [24 CFR 966.54]**

HUD regulations state that any grievance must be personally presented, either orally or in writing, to the PHA office or to the office of the project in which the complainant resides so that the grievance may be discussed informally and settled without a hearing.

##### PHA Policy

The PHA will accept requests for an informal settlement of a grievance either orally or in writing, to the PHA office within 10 business days of the grievable event. Within 10 business days of receipt of the request the PHA will arrange a meeting with the tenant at a mutually agreeable time and confirm such meeting in writing to the tenant.

If a tenant fails to attend the scheduled meeting without prior notice, the PHA will reschedule the appointment only if the tenant can show good cause for failing to appear, or if it is needed as a reasonable accommodation for a person with disabilities.

Good cause is defined as an unavoidable conflict which seriously affects the health, safety or welfare of the family.

The PHA retains the right to streamline the informal settlement should regulatory provisions be afforded in the future.

HUD regulations require that a summary of such discussion will be prepared within a reasonable time and one copy will be given to the tenant and one retained in the PHA's tenant file.

The summary must specify the names of the participants, dates of meeting, the nature of the proposed disposition of the complaint and the specific reasons therefore and will specify the procedures by which a hearing may be obtained if the complainant is not satisfied.

##### PHA Policy

The PHA will prepare a summary of the informal settlement within 5 business days; one copy to be given to the tenant and one copy to be retained in the PHA's tenant file.

For PHAs who have the option to establish an expedited grievance procedure, and who exercise this option, the informal settlement of grievances is not applicable to those grievances for which the expedited grievance procedure applies.

#### **14-III.E. PROCEDURES TO OBTAIN A HEARING [24 CFR 966.55]**

##### **Requests for Hearing and Failure to Request [24 CFR 966.55(a), (c), and (d)]**

All grievances must be presented in accordance with the informal procedures prescribed above as a condition prior to a grievance hearing. However, if the complainant can show good cause for failure to proceed with the informal settlement process to the hearing officer/panel, the hearing officer/panel may waive this provision [24 CFR 966.55(d)].

The complainant must submit the request in writing for a grievance hearing within a reasonable time after receipt of the summary of informal discussion [24 CFR 966.55(a)]. The request must specify the reasons for the grievance and the action or relief sought.

##### PHA Policy

The resident must submit a written request for a grievance hearing to the PHA within 5 business days of the tenant's receipt of the summary of the informal settlement.

The PHA retains the right to streamline the informal settlement should regulatory provisions be afforded in the future.

If the complainant does not request a hearing, the PHA's disposition of the grievance under the informal settlement process will become final. However, failure to request a hearing does not constitute a waiver by the complainant of the right to contest the PHA's action in disposing of the complaint in an appropriate judicial proceeding [24 CFR 966.55(c)].

##### **Escrow Deposits [24 CFR 966.55(e)]**

Before a hearing is scheduled in any grievance involving the amount of rent that the PHA claims is due, the family must pay an escrow deposit to the PHA. When a family is required to make an escrow deposit, the amount is the amount of rent the PHA states is due and payable as of the first of the month preceding the month in which the family's act or failure to act took place. After the first deposit the family must deposit the same amount monthly until the family's complaint is resolved by decision of the hearing officer/panel.

The PHA must waive the requirement for an escrow deposit where the family has requested a financial hardship exemption from minimum rent requirements or is grieving the effect of welfare benefits reduction in calculation of family income [24 CFR 5.630(b)(3)].

Unless the PHA waives the requirement, the family's failure to make the escrow deposit will terminate the grievance procedure. A family's failure to pay the escrow deposit does not waive the family's right to contest the PHA's disposition of the grievance in any appropriate judicial proceeding.

##### PHA Policy

The PHA will not waive the escrow requirement for grievances involving rent amounts except where required to do so by regulation.

The PHA retains the right to streamline the informal settlement should regulatory provisions be afforded in the future.

### **Scheduling of Hearings [24 CFR 966.55(f)]**

If the complainant has complied with all requirements for requesting a hearing as described above, a hearing must be scheduled by the hearing officer/panel promptly for a time and place reasonably convenient to both the complainant and the PHA. A written notification specifying the time, place and the procedures governing the hearing must be delivered to the complainant and the appropriate PHA official.

#### PHA Policy

Within 10 business days of receiving a written request for a hearing, the hearing officer will schedule and send written notice of the hearing to both the complainant and the PHA.

The PHA may wish to permit the tenant to request to reschedule a hearing for good cause.

#### PHA Policy

The tenant may request to reschedule a hearing for good cause, or if it is needed as a reasonable accommodation for a person with disabilities. Good cause is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family. Requests to reschedule a hearing must be made in writing prior to the hearing date. At its discretion, the PHA may request documentation of the “good cause” prior to rescheduling the hearing.

### **Expedited Grievance Procedure [24 CFR 966.55(g)]**

The PHA may establish an expedited grievance procedure for any grievance concerning a termination of tenancy or eviction that involves:

- Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of the PHA, or
- Any drug-related criminal activity on or near such premises

In such expedited grievances, the informal settlement of grievances as discussed in 14-III.D is not applicable.

The PHA may adopt special procedures concerning expedited hearings, including provisions for expedited notice or scheduling, or provisions for expedited decision on the grievance.

#### PHA Policy

Arizona is a due process State and the PHA is not subject to an expedited grievance process.

#### **14-III.F. SELECTION OF HEARING OFFICER/PANEL [24 CFR 966.55(b)]**

The grievance hearing must be conducted by an impartial person or persons appointed by the PHA, other than the person who made or approved the PHA action under review, or a subordinate of such person.

##### PHA Policy

PHA grievance hearings will be conducted by a single hearing officer and not a panel. The PHA has designated the following to serve as hearing officers:

The PHA may include City of Tucson Special Magistrate(s) or any other Appointed hearing officer other than the one who made the decision under review, or a subordinate of this person.

The PHA must determine the methodology for appointment of the hearing officer and it must be stated in the grievance procedure.

##### PHA Policy

The PHA will ensure that the person who has been selected in the manner required under the grievance procedure. Efforts will be made to assure that the person selected is not a friend, nor enemy; of the complainant and that they do not have a personal stake in the matter under dispute or will otherwise have an appearance of a lack of impartiality.

The PHA must consult with resident organizations before a person is appointed as a hearing officer or hearing panel member. Comments from the resident organizations must be considered before making the appointment.

#### **14-III.G. PROCEDURES GOVERNING THE HEARING [24 CFR 966.56]**

##### **Rights of Complainant [24 CFR 966.56(b)]**

The complainant will be afforded a fair hearing. This includes:

- The opportunity to examine before the grievance hearing any PHA documents, including records and regulations that are directly relevant to the hearing. The tenant must be allowed to copy any such document at the tenant's expense. If the PHA does not make the document available for examination upon request by the complainant, the PHA may not rely on such document at the grievance hearing.

##### PHA Policy

The tenant will be allowed to copy any documents related to the hearing at a cost of \$.25 per page. The family must request discovery of PHA documents no later than 12:00 p.m. 2 business days prior to the hearing.

The PHA must be allowed to copy any documents that the tenant will present at the hearing, at the PHA's expense. The PHA's notice of the hearing will advise the tenant of the PHA's request for discovery. The PHA must be allowed to copy said documents at least 2 business days prior to the hearing.

The PHA retains the right to streamline the informal settlement should regulatory provisions be afforded in the future.

- The right to be represented by counsel or another person chosen as the tenant's representative

and to have such person make statements on the tenant's behalf.

#### PHA Policy

Hearings may be attended by the following applicable persons:

A PHA representative(s), the PHA's counsel, and any witnesses for the PHA  
The tenant and any witnesses for the tenant

The tenant's counsel or other representative

Any other person approved by the PHA as a reasonable accommodation for a person with a disability

- The right to a private hearing unless the complainant requests a public hearing.
- The right to present evidence and arguments in support of the tenant's complaint, to controvert evidence relied on by the PHA or project management, and to confront and cross-examine all witnesses upon whose testimony or information the PHA or project management relies.
- A decision based solely and exclusively upon the facts presented at the hearing.

#### **Decision without Hearing [24 CFR 966.56(c)]**

The hearing officer/panel may render a decision without proceeding with the hearing if the hearing officer/panel determines that the issue has been previously decided in another proceeding.

#### **Failure to Appear [24 CFR 966.56(d)]**

If the complainant or the PHA fails to appear at a scheduled hearing, the hearing officer/panel may make a determination to postpone the hearing for not to exceed five business days or may make a determination that the party has waived his/her right to a hearing. Both the complainant and the PHA must be notified of the determination by the hearing officer/panel: Provided, That a determination that the complainant has waived his/her right to a hearing will not constitute a waiver of any right the complainant may have to contest the PHA's disposition of the grievance in an appropriate judicial proceeding.

There may be times when a complainant does not appear due to unforeseen circumstances which are out of their control and are no fault of their own.

#### PHA Policy

If the tenant does not appear at the scheduled time of the hearing, the hearing officer will wait up to 15 minutes. If the tenant appears within 15 minutes of the scheduled time, the hearing will be held. If the tenant does not arrive within 15 minutes of the scheduled time, they will be considered to have failed to appear.

If the tenant fails to appear and was unable to reschedule the hearing in advance, the tenant must contact the PHA within 24 hours of the scheduled hearing date, excluding weekends and holidays. The hearing officer will reschedule the hearing only if the tenant can show good cause for the failure to appear, or it is needed as a reasonable accommodation for a person with disabilities.

"Good cause" is defined as an unavoidable conflict which seriously affects the health, safety, or welfare of the family.

## **General Procedures [24 CFR 966.56(e), (f), and (g)]**

At the hearing, the complainant must first make a showing of an entitlement to the relief sought and thereafter the PHA must sustain the burden of justifying the PHA action or failure to act against which the complaint is directed [24 CFR 966.56(e)].

The hearing must be conducted informally by the hearing officer/panel. The PHA and the tenant must be given the opportunity to present oral or documentary evidence pertinent to the facts and issues raised by the complaint and question any witnesses. In general, all evidence is admissible and may be considered without regard to admissibility under the rules of evidence applicable to judicial proceedings [24 CFR 966.56(f)].

### PHA Policy

Any evidence to be considered by the hearing officer must be presented at the time of the hearing. There are four categories of evidence.

**Oral evidence:** the testimony of witnesses

**Documentary evidence:** a writing which is relevant to the case, for example, a letter written to the PHA. Writings include all forms of recorded communication or representation, including letters, emails, words, pictures, sounds, videotapes or symbols or combinations thereof.

**Demonstrative evidence:** Evidence created specifically for the hearing and presented as an illustrative aid to assist the hearing officer, such as a model, a chart or other diagram.

**Real evidence:** A tangible item relating directly to the case.

*Hearsay Evidence* is evidence of a statement that was made other than by a witness while testifying at the hearing and that is offered to prove the truth of the matter. Even though evidence, including hearsay, is generally admissible, hearsay evidence alone cannot be used as the sole basis for the hearing officer's decision.

If the PHA or the tenant fails to comply with the discovery requirements (providing the tenant with the opportunity to examine PHA documents and the PHA has the opportunity examine tenant documents prior to the grievance hearing), the hearing officer will refuse to admit such evidence.

Other than the failure of the PHA and/or the tenant to comply with discovery requirements, the hearing officer has the authority to overrule any objections to evidence.

The hearing officer/panel must require the PHA, the complainant, counsel and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the hearing officer/panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate [24 CFR 966.56(f)].

The complainant or the PHA may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript [24 CFR 966.56(g)].

#### PHA Policy

If the complainant would like the PHA to record the proceedings by audiotape, the request must be made to the PHA by 12:00 p.m. on the business day prior to the hearing.

The PHA will consider that an audio tape recording of the proceedings is a transcript.

#### **Accommodations of Persons with Disabilities [24 CFR 966.56(h)]**

The PHA must provide reasonable accommodation for persons with disabilities to participate in the hearing. Reasonable accommodation may include qualified sign language interpreters, readers, accessible locations, or attendants.

If the tenant is visually impaired, any notice to the tenant which is required in the grievance process must be in an accessible format.

See Chapter 2 for a thorough discussion of the PHA's responsibilities pertaining to reasonable accommodation.

#### **14-III.H. DECISION OF THE HEARING OFFICER/PANEL [24 CFR 966.57]**

The hearing officer/panel must issue a written decision, stating the reasons for the decision, within a reasonable time after the hearing. Factual determinations relating to the individual circumstances of the family must be based on a preponderance of evidence presented at the hearing. A copy of the decision must be sent to the tenant and the PHA. The PHA must retain a copy of the decision in the tenant's folder. A copy of the decision, with all names and identifying references deleted, must also be maintained on file by the PHA and made available for inspection by a prospective complainant, his/her representative, or the hearing officer/panel [24 CFR 966.57(a)].

#### PHA Policy

In rendering a decision, the hearing officer will consider the following matters:

**PHA Notice to the Family:** The hearing officer will determine if the reasons for the PHA's decision are factually stated in the notice.

**Discovery:** The hearing officer will determine if the family was given the opportunity to examine any relevant documents in accordance with PHA policy.

**PHA Evidence to Support the PHA Decision:** The evidence consists of the facts presented. Evidence is not conclusion and it is not argument. The hearing officer will evaluate the facts to determine if they support the PHA's conclusion.

**Validity of Grounds for Termination of Tenancy (when applicable):** The hearing officer will determine if the termination of tenancy is for one of the grounds specified in the HUD regulations and PHA policies. If the grounds for termination are not specified in the regulations or in compliance with PHA policies, then the decision of the PHA will be overturned.

The hearing officer will issue a written decision to the family and the PHA no later than 10 business days after the hearing. The report will contain the following information:

**Hearing information:**

Name of the complainant

Date, time and place of the hearing

Name of the hearing officer

Name of the PHA representative(s) Name of family

representative (if any) Names of witnesses (if any)

**Background:** A brief, impartial statement of the reason for the hearing and the date(s) on which the informal settlement was held, who held it, and a summary of the results of the informal settlement. Also includes the date the complainant requested the grievance hearing.

**Summary of the Evidence:** The hearing officer will summarize the testimony of each witness and identify any documents that a witness produced in support of his/her testimony and that are admitted into evidence.

**Findings of Fact:** The hearing officer will include all findings of fact, based on a preponderance of the evidence. *Preponderance of the evidence* is defined as evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not. Preponderance of the evidence may not be determined by the number of witnesses, but by the greater weight of all evidence.

**Conclusions:** The hearing officer will render a conclusion derived from the facts that were found to be true by a preponderance of the evidence. The conclusion will result in a determination of whether these facts uphold the PHA's decision.

**Order:** The hearing report will include a statement of whether the PHA's decision is upheld or overturned. If it is overturned, the hearing officer will instruct the PHA to change the decision in accordance with the hearing officer's determination. In the case of termination of tenancy, the hearing officer will instruct the PHA to restore the family's status.

**Procedures for Further Hearing**PHA Policy

The hearing officer may ask the family for additional information and/or might adjourn the hearing in order to reconvene at a later date, before reaching a decision. If the family misses an appointment or deadline ordered by the hearing officer, the action of the PHA will take effect and another hearing will not be granted.

The PHA retains the right to streamline the informal settlement should regulatory provisions be afforded in the future.

### **Final Decision [24 CFR 66.57(b)]**

The decision of the hearing officer/panel is binding on the PHA which must take the action, or refrain from taking the action cited in the decision unless the PHA Board of Commissioners determines within a reasonable time, and notifies the complainant that:

- The grievance does not concern PHA action or failure to act in accordance with or involving the complainant's lease on PHA policies which adversely affect the complainant's rights, duties, welfare, or status; or
- The decision of the hearing officer/panel is contrary to Federal, state, or local law, HUD regulations or requirements of the annual contributions contract between HUD and the PHA

### **PHA Policy**

When the PHA considers the decision of the hearing officer to be invalid due to the reasons stated above, it will present the matter to the PHA Board of Commissioners within 10 business days of the date of the hearing officer's decision. City of Tucson  
PHA Plan Resident Meeting Comments/Questions  
March 31, 2021  
2:00 pm – 4:00 pm via Zoom

1. What is the difference between Housing Choice Voucher (Section 8) and Public Housing Program?  
The Housing Choice Voucher (HCV) Program participants rent their units from private landlords and the subsidy assistance is issued to a landlord. The units are available throughout the Tucson/Pima County jurisdiction or other jurisdictions that have an HCV Program. The Public Housing Program are units that are owned and operated by the City of Tucson.
2. Did the vouchers increase, landlord rents are higher?  
The number of vouchers utilized (used) by both the City of Tucson and Pima County HCV Program increased by almost 500 additional participants; in March 2020 the programs were leasing at 4200 and over 600 and since then both programs increased roughly by 500 for the City of Tucson and over 150 for Pima County.  
  
The landlord rents did increase because the overall rents for private units increased in the City of Tucson. The Housing Authority addressed this issue by increasing the payment standards effective February 2021.
3. Is there a Homeownership?  
Yes, the City of Tucson Housing Choice Voucher Program has a Homeownership Program that will assist families with purchasing a home with their subsidy assistance. The must meet the City of Tucson and lender requirements to qualify for the program. To obtain more information please contact [S8teams2@tucsonaz.gov](mailto:S8teams2@tucsonaz.gov).
4. Is the plan for HCV or just Public Housing?  
The plan addresses the activities for both programs; the City of Tucson is required to report potential activities and plans for the coming year to HUD prior to the beginning to the upcoming fiscal year.
5. Have they cleared up the drug activity at the Tucson Housing?  
The criminal activity at the Tucson House continues to be addressed; the program has taken the following actions: we hired additional security guards which includes a guard who patrols the property through out the day. Management meets once a month with TPD liaison to discuss concerns. There are two TPD off duty officers assigned to the property.
6. Pay more income or less than 30% or what?  
Families pay rent based on the household income. The City of Tucson HCV and PH programs assist extremely low to moderately low-income families whose income falls between either 30% - 50% (HCV Program) or 30% - 80% (Public Housing) of the Area Median Income (AMI).
7. Is there a meeting or video?  
The meeting was scheduled to allow participants and residents of the HCV and PH program to provide input into the Draft PHA Annual Plan for FY2021-2022 (July 1, 2021 – June 30, 2022). And obtain comments associated with the plan.
8. Have the number landlords increased for the HCV Program?  
Over the fiscal year the City of Tucson Housing Choice Program has worked with recruiting additional landlords to the program. In their efforts they have provided one-time Security Deposits for families who qualify through Cares Funds. The program continues to conduct outreach to potential landlords to discuss the HCV program. In the fiscal year, the program was able to gain additional private landlords.

PHA Plan Resident Meeting Comments/Questions  
March 31, 2021  
2:00 pm – 4:00 pm via Zoom

9. Are we part of the discussion?

The City of Tucson sent letters to the HCV and PH program to obtain comments related to the program; the meeting provides a chance for families to provide comments or get clarification on the plan.

10. Are we going to get copies of the meeting?

The Plan was posted on the City of Tucson Housing Community Development website (<https://www.tucsonaz.gov/hcd/news/city-tucson-draft-pha-annual-plan-and-5-year-capital-plan-45-day-review-period>) on February 17, 2021 for review by families and the community. If a copy is needed a request can be submitted to [HCDAdmin@tucsonaz.gov](mailto:HCDAdmin@tucsonaz.gov)

11. Did the FSS program start before it stopped?

The Family-Self Sufficiency Program is still available for both the HCV and PH Program; please email [HCDAdmin@tucsonaz.gov](mailto:HCDAdmin@tucsonaz.gov) of your interest and the Coordinators will contact you.

12. The PH units require a lot of repair are the facilities old?

The unit portfolio for the Public Housing program varies, the unit mix of the 1505 units owned by the City of Tucson are low-rise, high-rise, duplexes, town/row houses along with single family homes that were built at different times. With such a varied mix of units the physical needs assessment will aid the City of Tucson to develop a modernization plan to upgrade units and provides a cost of those upgrades over a twenty (20) year time frame.

13. Will the units be put back on the list once the repaired?

Once the unit repairs/modernization are completed the units will be available to rent to an eligible Public Housing family.

14. Is the City of Tucson Managing finance?

The City of Tucson PHA program is responsible for management of the funds received for the HCV and PH programs, Family Self Sufficiency and Capital Funds grants issued by HUD.

15. Zip code 05-because of the high crime traffic is it possible to get secure locked mailboxes for the homes and apartments?

The City of Tucson will look at the Public Housing units located in high crime areas to determine the need and cost of purchasing secure mailboxes.

If a participant on the HCV program is interested in a secured mailbox, they would need to contact their landlord to see if that option is available.

16. Is it possible to get a recording of the meeting today?

If you would like a copy of the meeting today please send a request to [HCDAdmin@tucsonaz.gov](mailto:HCDAdmin@tucsonaz.gov).

17. What if I don't want to ask a question during the meeting or have additional questions who can I speak with?

The comments and questions from the meeting are included in the plan; please email the City of Tucson at [HCDAdmin@tucsonaz.gov](mailto:HCDAdmin@tucsonaz.gov) and either Nona C Eath, Administrator or Selene Tibbitts, Community Service Manager will address your questions.

18. Apartment rents only pay rent, I pay rent and utilities.

The lease agreement determines what the family is responsible for paying. If the participant is receiving assistance through the HCV Program, the family would know at the time the Request for

Tenancy Approval submission the family is responsible for utilities. And when the lease agreement is signed the lease will outline the fees responsibility for the landlord and resident. When the City of Tucson determines rent, the cost of utilities is factored into the family's portion of rent.

19. Why do they charge before the utilities and inspection is done?

The question did not provide any specifics associated with either the HCV or PH Programs. Please contact [HCDAdmin@tucsonaz.gov](mailto:HCDAdmin@tucsonaz.gov) to discuss further.

20. Complaints regarding amenities in property and not being fixed.

If you are residing in a Public Housing unit you will need to contact your leasing office to complete a work order.

A participant of the HCV program contact your landlord and let them know there are items that need to be repaired; if they failed to repair them please contact [S8teams2@tucsonaz.gov](mailto:S8teams2@tucsonaz.gov) so the City of Tucson can conduct an inspection.

21. What is the income for a 3-person family to qualify for housing?

A family qualifies based on their income and the number of household members. Annually HUD publishes income limits. The link to the most current income limits is: <https://www.huduser.gov/portal/datasets/il/il2021/2021summary.odn>

22. Where can they find the list of properties?

Landlords are encouraged to list their properties with [www.gosection8.com](http://www.gosection8.com) for families to know where there are available units; however under the HCV Program families can lease anywhere in the jurisdiction and locate units by completing a search of apartments for rent on the internet and/or driving around the Tucson/Pima County jurisdiction. In addition, the City of Tucson has utilized employees to conduct outreach to potential landlords

*Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the \_\_\_ 5-Year and/or \_\_\_ Annual PHA Plan for the PHA fiscal year beginning \_\_\_\_\_, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:*

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
4. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
5. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
6. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identifying any impediments to fair housing choice within those programs, addressing those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and by maintaining records reflecting these analyses and actions.
7. For PHA Plans that includes a policy for site based waiting lists:
  - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);
  - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
8. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
9. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.
10. The PHA will comply with the requirements of section 3 of the Housing and Urban Development Act of 1968, Employment Opportunities for Low-or Very-Low Income Persons, and with its implementing regulation at 24 CFR Part 135.
11. The PHA will comply with acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and implementing regulations at 49 CFR Part 24 as applicable.

12. The PHA will take appropriate affirmative action to award contracts to minority and women's business enterprises under 24 CFR 5.105(a).
13. The PHA will provide the responsible entity or HUD any documentation that the responsible entity or HUD needs to carry out its review under the National Environmental Policy Act and other related authorities in accordance with 24 CFR Part 58 or Part 50, respectively.
14. With respect to public housing the PHA will comply with Davis-Bacon or HUD determined wage rate requirements under Section 12 of the United States Housing Act of 1937 and the Contract Work Hours and Safety Standards Act.
15. The PHA will keep records in accordance with 24 CFR 85.20 and facilitate an effective audit to determine compliance with program requirements.
16. The PHA will comply with the Lead-Based Paint Poisoning Prevention Act, the Residential Lead-Based Paint Hazard Reduction Act of 1992, and 24 CFR Part 35.
17. The PHA will comply with the policies, guidelines, and requirements of OMB Circular No. A-87 (Cost Principles for State, Local and Indian Tribal Governments), 2 CFR Part 225, and 24 CFR Part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local and Federally Recognized Indian Tribal Governments).
