### Career & Home Ownership Opportunities!!

Do you want to make a better life for yourself and your family? The Family Self-Sufficiency Program (FSS) might be for you.

We can help you find a new career, continue your education, repair your credit rating, or save for a home of your own. If you are ready to set goals for your future, and work toward them, we can help you.

As a graduate of the FSS Program, you could use your Section 8 housing assistance to pay a mortgage on your own home instead of renting. A limited number of Section 8 voucher holders will be offered the opportunity to participate in the Section 8 Homeownership Program.

If you would like more information, please call 791-4742 and ask to speak with someone from the FSS staff.
