

IMPORTANT WAITING LISTS UPDATE REQUIRED:

On **Monday, November 13, 2017**, the Housing and Community Development Department will begin an update of all housing assistance waiting lists including Public Housing, Moderate Rehabilitation, and the Housing Choice Voucher Program (Section 8).

HUD encourages PHA's to periodically "update" waiting list interest to keep an active pool of families in need of assistance. If you are interested in remaining on any waiting list, you must log into your application on the portal and check the box that indicates you wish to remain on the list(s).

Please note that there are two separate portals, one for Section 8 and Mod Rehab and a second for Public Housing. You must log into each one separately if you are on multiple lists as noted.

Housing Choice Voucher/Mod Rehab: www.tucsonaz.gov/s8wl

Portal Directions: <https://www.tucsonaz.gov/files/hcd/WaitList-Portal-Instructions.pdf>

Applicants will receive an email with links to the portals to update their choices.

Please note that by selecting NO on the update or not updating the application by January 2, 2018 will result in the family being removed from the wait list.
