Good news! The City of Tucson is moving to a paperless system for your paychecks! Employees now have the choice between direct deposit or enrolling in our new Payroll Card program.

What is a Payroll Card? A Payroll Card is very similar to Visa debit card. Your net pay is loaded to the card and you can use it at any retailer that accepts credit or debit payments. You can withdraw cash at ATMs and have more than one card linked to the account. It is a secure and easy way to have access to your paycheck without going through a bank.

If you are interested in participating in the payroll card program instead of direct deposit, please contact Central Payroll at Central-Payroll@tucsonaz.gov or 520-791-4557. They will be happy to assist you with setting up either your direct deposit or getting you started with a new payroll card.
