OCCUPATIONAL SAFETY AND HEALTH MANUAL	NUMBER	PAGE
	2.03-5	1 of 2
EFFECTIVE DATE		
January 20, 2016		

I. **PURPOSE**

To establish city-wide policy on Occupational Safety and Health, through the publication of a manual for use by all levels of city government.

II. **POLICY**

It is the policy of the City of Tucson to assure awareness by all employees of the basic Occupational Safety and Health measures necessary to prevent the occurrence of occupational disease or accidents to themselves and others.

Accordingly, the city has published the Occupational Safety and Health Manual (OSHM) to describe procedures relating to employee accidents and departmental loss prevention activities. Departmental administrators shall ensure that the provisions of the manual are implemented by departmental staff at all levels.

III. **GENERAL**

- A. **Department Directors** shall have total responsibility for maintaining safe and healthful working conditions within their jurisdictions whether in the field, in the shop, or in the office.
- B. **Division Heads** shall be fully responsible and accountable to their department heads for compliance with the provisions of the Occupational Safety and Health program within their divisions.
- C. **Supervisors and Foremen** have full responsibility for ensuring the safe actions of their employees and the safe performance of machines and equipment within their operating areas. All supervisors, without exception, shall be held responsible for enforcement of the safety rules and procedures set forth in the Occupational Safety and Health Manual (OSHM).
- D. **Employees** are required, as a condition of employment, to exercise due care in the course of their work to prevent injuries to themselves and others and to conserve materials.
- E. The **Finance Director** shall be responsible for administrative action relative to the enforcement of Occupational Safety and Health policy as set forth in the Occupational Safety and Health Manual. The Finance Director, under direction of the City Manager's, Office shall promulgate changes and amendments to the Occupational Safety and Health Manual.
