Important Information about Your Dental Plan

When you elected Dental Insurance for yourself and your Dependents, you elected one of the two options offered:

- **Cigna Dental Care; or**
- **Cigna Dental Preferred Provider (Cigna Dental Choice for Texas residents)**

Details of the benefits under each of the options are described in separate certificates/booklets.

When electing an option initially or when changing options as described below, the following rules apply:

- **You and your Dependents may enroll for only one of the options, not for both options.**
- **Your Dependents will be insured only if you are insured and only for the same option.**

Change in Option Elected

If your plan is subject to Section 125 (an IRS regulation), you are allowed to change options only at Open Enrollment or when you experience a "Life Status Change."

If your plan is not subject to Section 125 you are allowed to change options at any time.

Effective Date of Change

If you change options during open enrollment, you (and your Dependents) will become insured on the effective date of the plan. If you change options other than at open enrollment (as allowed by your plan), you will become insured on the first day of the month after the transfer is processed.

Dental Benefits – Cigna Dental Care

Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you.

Member Services

If you have any questions or concerns about the Dental Plan, Member Services Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Member Services from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

Other Charges – Patient Charges

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment

policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Member Services at 1-800-Cigna24 for a list of network Pediatric Dentists in your Service Area or, if your Network General Dentist sends your child under age 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. Your Network General Dentist will provide care for children 7 years and older. If your child continues to visit the Pediatric Dentist after his/her 7th birthday, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Member Services.

Your Payment Responsibility (General Care)

For Covered Services provided by your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network Dentist. You will pay the non-network Dentist the applicable Patient

Charge for Covered Services. Cigna Dental will pay the non-network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See the *Specialty Referrals* section regarding payment responsibility for specialty care.

All contracts between Cigna Dental and network Dentists state that you will not be liable to the network Dentist for any sums owed to the network Dentist by Cigna Dental.

Emergency Dental Care – Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

• Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

• Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** – The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** – Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.

- **Oral Surgery** – The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.
Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations - Dental Benefits

No payment will be made for expenses incurred or services received:

- for or in connection with an Injury arising out of, or in the course of, any employment for wage or profit;
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance;
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received;
- for charges which the person is not legally required to pay;
- for charges which would not have been made if the person had no insurance;
- due to injuries which are intentionally self-inflicted.

Services Not Covered Under Your Dental Plan

Listed below are the services or expenses which are NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- services required while serving in the armed forces of any country or international authority or relating to a declared or undeclared war or acts of war.
- cosmetic dentistry or cosmetic dental surgery (dentistry or dental surgery performed solely to improve appearance) unless the service is specifically listed on your Patient Charge Schedule. If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; other types of bleaching methods are not covered.

- surgical placement of a dental implant; repair, maintenance or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant, unless specifically listed on your Patient Charge Schedule.
- services considered to be unnecessary or experimental in nature or do not meet commonly accepted dental standards.
- procedures or appliances for minor tooth guidance or to control harmful habits.

(Benefits are available for network Dentist charges for covered services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
- the completion of crowns, bridges, dentures or root canal treatment already in progress on the effective date of your Cigna Dental coverage.

- endodontic treatment and/or periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.

- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- services to correct congenital malformations, including the replacement of congenitally missing teeth.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period when this limitation is noted on your Patient Charge Schedule.
- crowns, bridges and/or implant supported prosthesis used solely for splinting.

- resin bonded retainers and associated pontics.

Pre-existing conditions are not excluded if the procedures involved are otherwise covered in your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

Appointments

To make an appointment with your network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

Broken Appointments

The time your network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent break an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Member Services at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental network includes the following types of specialty dentists:

- Pediatric Dentists – children's dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network

General Dentist should be sent to the Network Specialty Dentist.

Specialty Referrals

In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatric Dentistry and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in the Orthodontics section. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Member Services to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Member Services.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

Orthodontics - (This section is only applicable if Orthodontia is listed on your Patient Charge Schedule.)

Definitions –

- **Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
- **Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- **Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- **Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if banding/appliance insertion does not occur within 90 days of such visit; your treatment plan changes; or there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.

Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- orthognathic surgery and associated incremental costs;
- appliances to guide minor tooth movement;
- appliances to correct harmful habits; and
- services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Member Services at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, and/or bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), and/or fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, and bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, and/or bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

Coordination of Benefits

Under this dental plan Coordination of Benefits rules apply to specialty care only.

This section applies if you or any one of your Dependents is covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

Plan

Any of the following that provides benefits or services for medical or dental care or treatment:

- Group insurance and/or group-type coverage, whether insured or self-insured which neither can be purchased by

the general public, nor is individually underwritten, including closed panel coverage.

- Governmental benefits as permitted by law, excepting Medicaid, Medicare and Medicare supplement policies.
- Medical benefits coverage of group, group-type, and individual automobile contracts.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

Closed Panel Plan

A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.

Primary Plan

The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan.

Secondary Plan

A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to you.

Allowable Expense

A necessary, reasonable and customary service or expense, including deductibles, coinsurance or copayments, that is covered in full or in part by any Plan covering you. When a Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If you are covered by two or more Plans that provide services or supplies on the basis of reasonable and customary fees, any amount in excess of the highest reasonable and customary fee is not an Allowable Expense.
- If you are covered by one Plan that provides services or supplies on the basis of reasonable and customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If your benefits are reduced under the Primary Plan (through the imposition of a higher copayment amount, higher coinsurance percentage, a deductible and/or a penalty)

because you did not comply with Plan provisions or because you did not use a preferred provider, the amount of the reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of admissions or services.

Claim Determination Period

A calendar year, but does not include any part of a year during which you are not covered under this policy or any date before this section or any similar provision takes effect.

Reasonable Cash Value

An amount which a duly licensed provider of health care services usually charges patients and which is within the range of fees usually charged for the same service by other health care providers located within the immediate geographic area where the health care service is rendered under similar or comparable circumstances.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- The Plan that covers you as an enrollee or an employee shall be the Primary Plan and the Plan that covers you as a Dependent shall be the Secondary Plan;
- If you are a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the calendar year as an enrollee or employee;
- If you are the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the spouse of the parent with custody of the child;
 - then, the Plan of the parent not having custody of the child, and
 - finally, the Plan of the spouse of the parent not having custody of the child.
- The Plan that covers you as an active employee (or as that employee's Dependent) shall be the Primary Plan and the Plan that covers you as laid-off or retired employee (or as that employee's Dependent) shall be the secondary Plan. If the other Plan does not have a similar provision and, as a

result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

- The Plan that covers you under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers you as an active employee or retiree (or as that employee's Dependent) shall be the Primary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- If one of the Plans that covers you is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.

If none of the above rules determines the order of benefits, the Plan that has covered you for the longer period of time shall be primary.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans during a Claim Determination Period are not more than 100% of the total of all Allowable Expenses.

The difference between the amount that this Plan would have paid if this Plan had been the Primary Plan, and the benefit payments that this Plan had actually paid as the Secondary Plan, will be recorded as a benefit reserve for you. Cigna will use this benefit reserve to pay any Allowable Expense not otherwise paid during the Claim Determination Period.

As each claim is submitted, Cigna will determine the following:

- Cigna's obligation to provide services and supplies under this policy;
- whether a benefit reserve has been recorded for you; and
- whether there are any unpaid Allowable Expenses during the Claims Determination Period.

If there is a benefit reserve, Cigna will use the benefit reserve recorded for you to pay up to 100% of the total of all Allowable Expenses. At the end of the Claim Determination Period, your benefit reserve will return to zero and a new benefit reserve will be calculated for each new Claim Determination Period.

Recovery of Excess Benefits

If Cigna pays charges for benefits that should have been paid by the Primary Plan, or if Cigna pays charges in excess of those for which we are obligated to provide under the Policy, Cigna will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

Cigna will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If we request, you must execute and deliver to us such instruments and documents as we determine are necessary to secure the right of recovery.

Right to Receive and Release Information

Cigna, without consent or notice to you, may obtain information from and release information to any other Plan with respect to you in order to coordinate your benefits pursuant to this section. You must provide us with any information we request in order to coordinate your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, you will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 90 days of the request, the claim will be denied. If the requested information is subsequently received, the claim will be processed.

VI

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by you or your Dependent (hereinafter individually and collectively referred to as a "Participant,") for which another party may be responsible as a result of having caused or contributed to an Injury or Sickness.
- Expenses incurred by a Participant to the extent any payment is received for them either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage.

Right Of Reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien Of The Plan

By accepting benefits under this plan, a Participant:

- grants a lien and assigns to the plan an amount equal to the benefits paid under the plan against any recovery made by or on behalf of the Participant which is binding on any attorney or other party who represents the Participant whether or not an agent of the Participant or of any insurance company or other financially responsible party against whom a Participant may have a claim provided said attorney, insurance carrier or other party has been notified by the plan or its agents;
- agrees that this lien shall constitute a charge against the proceeds of any recovery and the plan shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for the benefit of the plan to the extent of any payment made by the plan.

Additional Terms

- No adult Participant hereunder may assign any rights that it may have to recover medical expenses from any third party or other person or entity to any minor Dependent of said adult Participant without the prior express written consent of the plan. The plan's right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Participant shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- The plan's right of recovery shall be a prior lien against any proceeds recovered by the Participant. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat the plan's recovery rights by allocating the proceeds exclusively to non-medical expense damages.
- No Participant hereunder shall incur any expenses on behalf of the plan in pursuit of the plan's rights hereunder, specifically; no court costs, attorneys' fees or other representatives' fees may be deducted from the plan's recovery without the prior express written consent of the plan. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- The plan shall recover the full amount of benefits provided hereunder without regard to any claim of fault on the part of any Participant, whether under comparative negligence or otherwise.
- In the event that a Participant shall fail or refuse to honor its obligations hereunder, then the plan shall be entitled to recover any costs incurred in enforcing the terms hereof

including, but not limited to, attorney's fees, litigation, court costs, and other expenses. The plan shall also be entitled to offset the reimbursement obligation against any entitlement to future medical benefits hereunder until the Participant has fully complied with his reimbursement obligations hereunder, regardless of how those future medical benefits are incurred.

- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Participant agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, the plan shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.

Payment of Benefits

To Whom Payable

Dental Benefits are assignable to the provider. When you assign benefits to a provider, you have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Cigna's contracts with providers, all claims from contracted providers should be assigned.

Cigna may, at its option, make payment to you for the cost of any Covered Expenses from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to you or your Dependent, you or your Dependents are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or, in the opinion of Cigna is not able to give a valid receipt for any payment due him, such payment will be made to his legal guardian. If no request for payment has been made by his legal guardian, Cigna may, at its option, make payment to the person or institution appearing to have assumed his custody and support.

When one of our participants passes away, Cigna may receive notice that an executor of the estate has been established. The executor has the same rights as our insured and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Cigna from all liability to the extent of any payment made.

Recovery of Overpayment

When an overpayment has been made by Cigna, Cigna will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment.

The Following Will Apply To Residents of Nevada

When You Have A Complaint or an Appeal

For the purposes of this section, any reference to "you," "your" or "Member" also refers to a representative or provider designated by you to act on your behalf, unless otherwise noted.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start with Member Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you can call our toll-free number and explain your concern to one of our Customer Service representatives. You can also express that concern in writing. Please call or write to us at the following:

Customer Services Toll-Free Number or address that appears on your Benefit Identification card, explanation of benefits or claim form.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you can start the appeals procedure.

Appeals Procedure

Cigna has a two step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request for an appeal in writing within 365 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask to register your appeal by telephone. Call or write to us at the toll-free number or address on your Benefit Identification card, explanation of benefits or claim form.

Level One Appeal

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

For level one appeals, we will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

Level Two Appeal

If you are dissatisfied with our level one appeal decision, you may request a second review. To start a level two appeal, follow the same process required for a level one appeal.

Most requests for a second review will be conducted by the Appeals Committee, which consists of at least three people. Anyone involved in the prior decision may not vote on the Committee. For appeals involving Medical Necessity or clinical appropriateness, the Committee will consult with at least one Dentist reviewer in the same or similar specialty as the care under consideration, as determined by Cigna's Dentist reviewer. You may present your situation to the Committee in person or by conference call.

For level two appeals we will acknowledge in writing that we have received your request and schedule a Committee review. For postservice claims, the Committee review will be completed within 30 calendar days. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed by the Committee to complete the review. You will be notified in writing of the Committee's decision within five working days after the Committee meeting, and within the Committee review time frames above if the Committee does not approve the requested coverage.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition.

A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

Independent Review Procedure

If you are not fully satisfied with the decision of Cigna's level two appeal review regarding your Medical Necessity or clinical appropriateness issue, you may request that your appeal be referred to an Independent Review Organization. The Independent Review Organization is composed of persons who are not employed by Cigna HealthCare or any of its affiliates. A decision to use the voluntary level of appeal will not affect the claimant's rights to any other benefits under the plan.

There is no charge for you to initiate this independent review process. Cigna will abide by the decision of the Independent Review Organization.

In order to request a referral to an Independent Review Organization, certain conditions apply. The reason for the denial must be based on a Medical Necessity or clinical appropriateness determination by Cigna. Administrative,

eligibility or benefit coverage limits or exclusions are not eligible for appeal under this process.

To request a review, you must notify the Appeals Coordinator within 180 days of your receipt of Cigna's level two appeal review denial. Cigna will then forward the file to the Independent Review Organization.

The Independent Review Organization will render an opinion within 30 days. When requested and when a delay would be detrimental to your condition, as determined by Cigna's Dentist reviewer, the review shall be completed within three days.

The Independent Review Program is a voluntary program arranged by Cigna.

You also have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance

regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant Information is any document, record, or other information which was relied upon in making the benefit determination; was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit or the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under Section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the Level One and Level Two Appeal processes. If your Appeal is expedited, there is no need to complete the Level Two process prior to bringing legal action.

Adverse Determination

An Adverse Determination is a decision made by Cigna Dental that it will not authorize payment for certain limited

specialty care procedures. Any such decision will be based on the necessity or appropriateness of the care in question. To be considered clinically necessary, the treatment or service must be reasonable and appropriate and must meet the following requirements. It must:

- be consistent with the symptoms, diagnosis or treatment of the condition present;
- conform to commonly accepted standards of treatment;
- not be used primarily for the convenience of the member or provider of care; and
- not exceed the scope, duration or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the member at the dentist's Usual Fees.

This Plan Booklet/Combined Evidence of Coverage and Disclosure Form/Certificate of Coverage is intended for your information; it constitutes a summary of the Dental Plan and is included as a part of the agreement between Cigna Dental and your Group (collectively, the “Group Contract”). The Group Contract must be consulted to determine the rates and the exact terms and conditions of coverage. If rates or coverages are changed under your Group Contract, your rates and coverage will also change. A prospective customer has the right to view the Combined Evidence of Coverage and Disclosure Form prior to enrollment. It should be read completely and carefully. Customers with special health care needs should read carefully those sections that apply to them. Please read the following information so you will know from whom or what group of dentists dental care may be obtained.

NOTICE: IF YOU OR YOUR FAMILY MEMBERS ARE COVERED BY MORE THAN ONE HEALTH CARE PLAN, YOU MAY NOT BE ABLE TO COLLECT BENEFITS FROM BOTH PLANS. EACH PLAN MAY REQUIRE YOU TO FOLLOW ITS RULES OR USE SPECIFIC DOCTORS OR HOSPITALS, AND IT MAY BE IMPOSSIBLE TO COMPLY WITH BOTH PLANS AT THE SAME TIME. READ ALL OF THE RULES VERY CAREFULLY, INCLUDING THE DUAL COVERAGE SECTION.

Important Cancellation Information – Please Read the Provision Entitled “Disenrollment from the Dental Plan–Termination of Benefits.”

READ YOUR PLAN BOOKLET CAREFULLY

Please call Customer Service at 1-800-Cigna24 if you have any questions. The hearing impaired may call the state TTY toll-free relay service listed in their local telephone directory.

In some instances, state laws will supersede or augment the provisions contained in this booklet. These requirements are listed at the end of this booklet as a State Rider. In case of a conflict between the provisions of this booklet and your State Rider, the State Rider will prevail.

- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of

your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave.

Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for

information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled “Office Transfers” if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to

your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist’s Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.

placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.

- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request will take about 5 days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Endodontists – root canal treatment.
- Periodontists – treatment of gums and bone.
- Oral Surgeons – complex extractions and other surgical procedures.
- Orthodontists – tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist’s Usual Fee. If

you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist’s Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- Orthodontic Treatment Plan and Records** – the preparation of orthodontic records and a treatment plan by the Orthodontist.
- Interceptive Orthodontic Treatment** – treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- Comprehensive Orthodontic Treatment** – treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- Retention (Post Treatment Stabilization)** – the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or

treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics In Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you

about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1-800-Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within 1 year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1-800-Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied pre-authorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your

current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time. **See your State Rider for further details.**

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment From the Dental Plan – Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group

Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. in which Premiums are not remitted to Cigna Dental.
2. in which eligibility requirements are no longer met.
3. after 30 days notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. after 30 days notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. after 60 days notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. after voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental

conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship,
- Fraud or misuse of dental services and/or Dental Offices,
- Nonpayment of Premiums by the Subscriber,
- Selection of alternate dental coverage by your Group, or
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

XVIII. Miscellaneous

As a Cigna Dental plan customer, you may be eligible for various discounts, benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. - A. Be consistent with the symptoms, diagnosis or treatment of the condition present;
- B. Conform to commonly accepted standards throughout the dental field;
- C. Not be used primarily for the convenience of the customer or provider of care; and
- D. Not exceed the scope, duration or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

 2. Reliant upon you for maintenance and support.

For a dependent child 26 years of age or older who is a full-time student at an educational institution, coverage will be provided for an entire academic term during which the child begins as a full-time student and remains enrolled, regardless of whether the number of hours of instruction for which the child is enrolled is reduced to a level that changes the child's academic status to less than that of a full-time student.

For a child who falls into category (B) or (C) above, you will need to furnish Cigna Dental evidence of the child's reliance upon you, in the form requested, within 31 days after the Dependent reaches the age of 19 and once a year thereafter for as long as the child is claimed as a Dependent under the Plan.

II. Introduction to Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must be able to seek treatment for Covered Services within a Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1.800.Cigna24. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges – Patient Charges

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees which you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services, the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You will be responsible for the Patient Charges listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent child under age 7 by calling Customer Service at 1.800.Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-covered services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-network dentist. You will pay the non-network dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX., *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away from Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge, up to a total of \$50 per incident. To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Patient Charge listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Patient Charges.

G. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist however; exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic

reasons. Your Patient Charge Schedule lists any limitations on oral surgery.

- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.
Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.
- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of four evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** - When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

No payment will be made for expenses incurred or services received:

- For or in connection with an injury arising out of, or in the course of, any employment for wage or profit.
- For charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance.

There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

- Procedures or appliances for minor tooth guidance or to control harmful habits.

(Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination.)
- Services to the extent you or your enrolled Dependent are compensated under any group medical plan, no-fault auto insurance policy, or uninsured motorist policy. (Arizona and Pennsylvania residents: Coverage for covered services to the extent compensated under group medical plan, no fault auto insurance policies or uninsured motorist policies is not excluded. Kentucky and North Carolina residents: Services compensated under no-fault auto insurance policies or uninsured motorist policies are not excluded. Maryland residents: Services compensated under group medical plans are not excluded.)
- The completion of crowns, bridges, dentures, or root canal treatment, already in progress on the effective date of your Cigna Dental coverage.

Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

- Crowns, bridges and/or implant supported prosthesis used solely for splinting.
- Resin bonded retainers and associated pontics.

Preexisting conditions are not excluded if the procedures involved are otherwise covered under your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken

appointments make it difficult for your Dental Office to schedule time with other patients.

If you or your enrolled Dependent breaks an appointment with less than 24 hours notice to the Dental Office, you may be charged a broken appointment fee.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1.800.Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1.800.Cigna24. Your transfer request will take about five days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

There is no charge to you for the transfer; however, all Patient Charges which you owe to your current Dental Office must be paid before the transfer can be processed.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - Children's dentistry.
- Endodontists - Root canal treatment.
- Periodontists - Treatment of gums and bone.
- Oral Surgeons - Complex extractions and other surgical procedures.
- Orthodontists - Tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

See Section IV.D., *Choice of Dentist*, regarding treatment by a Pediatric Dentist.

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization,

except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX.B., Orthodontics. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90 day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-covered services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-network specialty dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will reimburse the non-network dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-covered services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when orthodontics is listed on your Patient Charge Schedule.)

1. **Definitions** - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:
 - a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the orthodontist.
 - b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent

teeth, frequently a first phase preceding comprehensive treatment.

- c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Patient Charge for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a prorated basis.

3. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-covered services:

- a. Incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. Orthognathic surgery and associated incremental costs;
- c. Appliances to guide minor tooth movement;
- d. Appliances to correct harmful habits; and
- e. Services which are not typically included in Orthodontic Treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress

If Orthodontic Treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1.800.Cigna24 to

find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving six or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a "unit" on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when six or more units are prescribed in your Network General Dentist's treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What to Do if There Is a Problem

For the purposes of this section, any reference to "you" or "your" also refers to a representative or dentist designated by you to act on your behalf. **Time frames or requirements may vary depending on the laws in your State. Consult your State Rider for further details.**

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start with Customer Service

We are here to listen and to help. If you have a concern about your Dental Office or the Dental Plan, you can call 1.800.Cigna24 toll-free and explain your concern to one of our Customer Service Representatives. You can also

express that concern in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047. We will do our best to resolve the matter during your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, usually by the end of the next business day, but in any case within 30 days.

If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

B. Appeals Procedure

Cigna Dental has a two-step appeals procedure for coverage decisions. To initiate an appeal, you must submit a request in writing to Cigna Dental, P.O. Box 188047, Chattanooga, TN 37422-8047, within one year from the date of the initial Cigna Dental decision. You should state the reason you feel your appeal should be approved and include any information to support your appeal. If you are unable or choose not to write, you may ask Customer Service to register your appeal by calling 1.800.Cigna24.

1. Level-One Appeals

Your level-one appeal will be reviewed and the decision made by someone not involved in the initial review. Appeals involving dental necessity or clinical appropriateness will be reviewed by a dental professional.

If your appeal concerns a denied preauthorization, we will respond with a decision within 15 calendar days after we receive your appeal. For appeals concerning all other coverage issues, we will respond with a decision within 30 calendar days after we receive your appeal. If we need more information to make your level-one appeal decision, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, Cigna Dental will respond orally with a decision within 72 hours, followed up in writing.

If you are not satisfied with our level-one appeal decision, you may request a level-two appeal.

2. Level-Two Appeals

To initiate a level-two appeal, follow the same process required for a level-one appeal. Your level-two appeal will be reviewed and a decision made by someone not involved in the level-one appeal. For appeals involving dental necessity or clinical appropriateness, the decision will be made by a dentist. If specialty care is in dispute, the appeal will be conducted by a dentist in the same or similar specialty as the care under review.

The review will be completed within 30 calendar days. If we need more information to complete the appeal, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review. The decision will include the specific contractual or clinical reasons for the decision, as applicable.

You may request that the appeal resolution be expedited if the time frames under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating dentist, will decide if an expedited review is necessary. When a review is expedited, the Dental Plan will respond orally with a decision within 72 hours, followed up in writing.

3. Independent Review Procedure

The independent review procedure is a voluntary program arranged by the Dental Plan and is not available in all areas. Consult your State Rider for more details if applicable.

4. Appeals to the State

You have the right to contact your State's Department of Insurance and/or Department of Health for assistance at any time. **See your State Rider for further details.**

Cigna Dental will not cancel or refuse to renew your coverage because you or your Dependent has filed a complaint or an appeal involving a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a dentist.

XII. Dual Coverage

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefits Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources such as an HMO or similar dental plan, applicable coordination of benefits rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Dual coverage should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

Coordination of benefits rules are attached to the Group Contract and may be reviewed by contacting your Benefits Administrator. Cigna Dental coordinates benefits only for specialty care services.

XIII. Disenrollment from the Dental Plan - Termination of Benefits

A. Time Frames for Disenrollment/Termination

Except as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan and termination of benefits will occur on the last day of the month:

1. In which Premiums are not remitted to Cigna Dental.
2. In which eligibility requirements are no longer met.
3. After 30 days' notice from Cigna Dental due to permanent breakdown of the dentist-patient relationship as determined by Cigna Dental, after at least two opportunities to transfer to another Dental Office.
4. After 30 days' notice from Cigna Dental due to fraud or misuse of dental services and/or Dental Offices.
5. After 60 days' notice by Cigna Dental, due to continued lack of a Dental Office in your Service Area.
6. After voluntary disenrollment.

B. Effect on Dependents

When one of your Dependents is disenrolled, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after

disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three (3) months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- Permanent breakdown of the dentist-patient relationship.
- Fraud or misuse of dental services and/or Dental Offices.
- Nonpayment of Premiums by the Subscriber.
- Selection of alternate dental coverage by your Group.
- Lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1.800.Cigna24 to obtain current rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional

information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1.800.Cigna24, or via the Internet at myCigna.com.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain health conditions. IV. Your Cigna Dental coverage

B. Premiums/prepayment fees

XIV. Extension of benefits

Coverage for all dental procedures in progress, including Orthodontics, is extended for 90 days after disenrollment.

XVI. Converting from your group coverage

You and your enrolled Dependent(s) are eligible for conversion coverage unless benefits are discontinued because you or your Dependent no longer resides in a Cigna Dental Health Service Area, or because of fraud or material misrepresentation in applying for benefits.

Unless benefits were terminated as previously listed, conversion coverage is available to your Dependents, only, as follows:

- C. A spouse or child whose group coverage ended by reason of ceasing to be an eligible family member under the Subscriber's coverage.

In addition the following provisions apply to your plan:

A. Expenses for which a third party may be responsible

B. Right of reimbursement

If a Participant incurs a Covered Expense for which, in the opinion of the plan or its claim administrator, another party may be responsible or for which the Participant may receive payment as described above, the plan is granted a right of reimbursement, to the extent of the benefits provided by the plan, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

- B. conform to commonly accepted standards throughout the dental field;
- C. not be used primarily for the convenience of the customer or dentist of care; and
- D. not exceed the scope, duration, or intensity of that level of care needed to provide safe and appropriate treatment.

Requests for payment authorizations that are declined by Cigna Dental based upon the above criteria will be the responsibility of the customer at the dentist's Usual Fees. A licensed dentist will make any such denial.

Network Dentist - a licensed dentist who has signed an agreement with Cigna Dental to provide general dentistry or specialty care services to you. The term, when used, includes both Network General Dentists and Network Specialty Dentists.

Network General Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide dental care services to you.

Network Specialty Dentist - a licensed dentist who has signed an agreement with Cigna Dental under which he or she agrees to provide specialized dental care services to you.

Patient Charge - the amount you owe your Network Dentist for any dental procedure listed on your Patient Charge Schedule.

Patient Charge Schedule - list of services covered under your Dental Plan and how much they cost you.

Premiums - fees that your Group remits to Cigna Dental, on your behalf, during the term of your Group Contract.

Service Area - the geographical area designated by Cigna Dental within which it shall provide benefits and arrange for dental care services, as set out in the attached list of service areas.

Spouse - the individual of the opposite sex with whom you have entered into a marriage relationship which would be considered valid under the Texas Family Code.

Subscriber/You - the enrolled employee or customer of the Group.

Usual Fee - the customary fee that an individual dentist most frequently charges for a given dental service.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for health plan operation purposes.

III. Eligibility/When Coverage Begins

To enroll in the Dental Plan, you and your Dependents must live, work or reside within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If the legal residence of an enrolled Dependent is different from that of the Subscriber, the Dependent must:

- A. reside in the Service Area with a person who has temporary or permanent guardianship, including adoptees or children subject to adoption, and the Subscriber must have legal responsibility for that Dependent's health care; or
- B. reside in the Service Area, and the Subscriber must have legal responsibility for that Dependent's health care; or
- C. reside in the Service Area with the Subscriber's spouse; or
- D. reside anywhere in the United States when the Dependent's coverage is required by a medical support order.

If you or your Dependent becomes eligible for Medicare, you may continue coverage so long as you or your Medicare-eligible Dependent meet all other group eligibility requirements.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order.

You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce. Cigna Dental may require evidence of good dental health at your expense if you or your Dependents enroll after the first period of eligibility (except during open enrollment) or after disenrollment because of nonpayment of Premiums.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled

in the Dental Plan and you must begin paying Premiums, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Premiums, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

IV. Your Cigna Dental Coverage

The information below outlines your coverage and will help you to better understand your Dental Plan. Included is information about which services are covered, which are not, and how much dental services will cost you. A copy of the Group Contract will be furnished to you upon your request.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, second opinions, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. The hearing impaired may contact Customer Service through the State Relay Service located in your local telephone directory.

B. Premiums

Your Group sends a monthly fee to Cigna Dental for customers participating in the Dental Plan. The amount and term of this fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this fee to be withheld from your salary or to be paid by you to the Group. Your Premium is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Premiums at least 60 days before any change.

In addition to any other premiums for which the Group is liable, the Group shall also be liable for a customer's premiums from the time the customer is no longer eligible for coverage under the contract until the end of the month in which the Group notifies Cigna Dental that the customer is no longer part of the group eligible for coverage.

C. Other Charges – Patient Charges

Cigna Dental typically pays Network General Dentists fixed monthly payments for each covered customer and

supplemental payments for certain procedures. No bonuses or financial incentives are used as an inducement to limit services. Network Dentists are also compensated by the fees that you pay, as set out in your Patient Charge Schedule.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the fees you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist should tell you about Patient Charges for Covered Services the amount you must pay for non-Covered Services and the Dental Office's payment policies. Timely payment is important. The Dental Office may add late charges to overdue balances.

Your Patient Charge Schedule is subject to annual change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Patient Charges at least 60 days prior to such change. You must pay the Patient Charge listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Choice of Dentist

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise authorizes payment for out-of-network benefits.

You may select a network Pediatric Dentist as the Network General Dentist for your dependent children under age 7 by calling Customer Service at 1-800-Cigna24 to get a list of network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 7 to a network Pediatric Dentist, the network Pediatric Dentist's office will have primary responsibility for your child's care. For children 7 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 7, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental

Office. Refer to the Section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the fees listed on your Patient Charge Schedule. For services listed on your Patient Charge Schedule at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If on a temporary basis there is no Network General Dentist in your Service Area, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge.

See Section IX, *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. General Care - Reimbursement

Cigna Dental Health will acknowledge your claim for covered services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate covered services will be made within 5 days of acceptance.

G. Emergency Dental Care - Reimbursement

Emergency dental services are limited to procedures administered in a dental office, dental clinic or other comparable facility to evaluate and stabilize emergency dental conditions of recent onset and severity accompanied by excessive bleeding, severe pain, or acute infection that would lead a prudent layperson with average knowledge of dentistry to believe that immediate care is needed.

- 1. Emergency Care Away From Home** - If you have an emergency while you are out of your Service Area or unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above without restrictions as to where the

services are rendered. Routine restorative procedures or definitive treatment (e.g. root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Patient Charges listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference, if any, between the dentist's Usual Fee for emergency Covered Services and your Patient Charge.

To receive reimbursement, send appropriate reports and x-rays to Cigna Dental at the address listed on the front of this booklet. Cigna Dental Health will acknowledge your claim for emergency services within 15 days and accept, deny, or request additional information within 15 business days of receipt. If Cigna Dental Health accepts your claim, reimbursement for all appropriate emergency services will be made within 5 days of acceptance. Claims for non-emergency services will be processed within the same timeframes as claims for emergency services.

H. Limitations on Covered Services

Listed below are limitations on services when covered by your Dental Plan:

- **Frequency** - The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network General Dentist certifies to Cigna Dental that, due to medical necessity, you require certain Covered Services more frequently than the limitation allows, Cigna Dental may waive the applicable limitation.
- **Pediatric Dentistry** - Coverage for treatment by a Pediatric Dentist ends on your child's 7th birthday. Effective on your child's 7th birthday, dental services must be obtained from a Network General Dentist; however, exceptions for medical reasons may be considered on an individual basis.
- **Oral Surgery** - The surgical removal of an impacted wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Your Patient Charge Schedule lists any limitations on oral surgery.
- **Periodontal (gum tissue and supporting bone) Services** – Periodontal regenerative procedures are limited to one regenerative procedure per site (or per tooth, if applicable), when covered on the Patient Charge Schedule.

Localized delivery of antimicrobial agents is limited to eight teeth (or eight sites, if applicable) per 12 consecutive months, when covered on the Patient Charge Schedule.

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

General Limitations Dental Benefits

- for the charges which the person is not legally required to pay;

- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

- infection control and/or sterilization. Cigna Dental considers this to be incidental to and part of the charges for services provided and not separately chargeable.
- the recementation of any inlay, onlay, crown, post and core, or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within the timeframe to be incidental to and part of the charges for the initial restoration.
- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within the timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.

Should any law require coverage for any particular service(s) noted above, the exclusion or limitation for that service(s) shall not apply.

V. Appointments

To make an appointment with your Network Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

VI. Broken Appointments

The time your Network Dentist schedules for your appointment is valuable to you and the dentist. Broken appointments make it difficult for your Dental Office to schedule time with other patients. If you must change your appointment, please contact your dentist at least 24 hours before the scheduled time.

VII. Office Transfers

If you decide to change Dental Offices, we can arrange a transfer at no charge. You should complete any dental procedure in progress before transferring to another Dental Office. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer will take about 5 days to process. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective.

Network Dentists are Independent Contractors. Cigna Dental cannot require that you pay your Patient Charges before processing of your transfer request; however, it is suggested that all Patient Charges owed to your current Dental Office be paid prior to transfer.

VIII. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists - children's dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

There is no coverage for referrals to prosthodontists or other specialty dentists not listed above.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist.

You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

Contact your Benefit Administrator for more information.

See Section IV.D, *Choice of Dentist*, regarding treatment by a Pediatric Dentist

IX. Specialty Referrals

A. In General

Upon referral from a Network General Dentist, your Network Specialty Dentist will submit a specialty care treatment plan to Cigna Dental for payment authorization, except for Pediatrics, Orthodontics and Endodontics, for which prior authorization is not required. You should verify with the Network Specialty Dentist that your treatment plan has been authorized for payment by Cigna Dental before treatment begins.

When Cigna Dental authorizes payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section IX. B, *Orthodontics*. Treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental's authorization. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

For non-Covered Services or if Cigna Dental does not authorize payment to the Network Specialty Dentist for Covered Services, including Adverse Determinations, you

must pay the Network Specialty Dentist's Usual Fee. If you have a question or concern regarding an authorization or a denial, contact Customer Service.

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, you must pay for treatment at the dentist's Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna Dental, Cigna Dental will authorize a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Patient Charge for Covered Services. Cigna Dental will pay the non-Network Dentist the difference, if any, between his or her Usual Fee and the applicable Patient Charge. For non-Covered Services or services not authorized for payment, including Adverse Determinations, you must pay the dentist's Usual Fee.

B. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

1. Definitions - If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- a. **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- b. **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- c. **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- d. **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

2. Patient Charges

The Patient Charge for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Treatment Plan and Records. However, if a. banding/appliance insertion does not occur within 90 days of such visit, b. your treatment plan changes, or c. there is an interruption in your coverage or

treatment a later change in the Patient Charge Schedule may apply.

The Patient Charge for Orthodontic Treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Patient Charge will be reduced on a pro-rated basis.

3. Additional Charges - You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- a. incremental costs associated with optional/elective materials, including but not limited to ceramic, clear, lingual brackets, or other cosmetic appliances;
- b. orthognathic surgery and associated incremental costs;
- c. appliances to guide minor tooth movement;
- d. appliances to correct harmful habits; and
- e. services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

4. Orthodontics in Progress - If orthodontic treatment is in progress for you or your Dependent at the time you enroll, the fee listed on the Patient Charge Schedule is not applicable. Please call Customer Service at 1-800-Cigna24 to find out if you are entitled to any benefit under the Dental Plan.

X. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more "units" of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or

tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit charge for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for each unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant supported prosthesis are specifically listed on your Patient Charge Schedule.

XI. What To Do If There Is A Problem

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request.

A. Start With Customer Service

We are here to listen and to help. If you have a question about your Dental Office or the Dental Plan, you can call the toll-free number to reach one of our Customer Service Representatives. We will do our best to respond upon your initial contact or get back to you as soon as possible, usually by the end of the next business day. You can call Customer Service at 1-800-Cigna24 or you may write P.O. Box 188047, Chattanooga, TN 37422-8047.

If you are unable to undergo dental treatment in an office setting or under local anesthesia due to a documented physical, mental, or medical reason as determined by the dentist providing you dental care, please contact Cigna at 1-800-Cigna24 and we will assist you in getting the care you need.

B. Appeals Procedure

1. Problems Concerning Plan Benefits, Quality of Care, or Plan Administration

The Dental Plan has a two-step procedure for complaints and appeals.

a. Level One Review (“Complaint”)

For the purposes of this section, a complaint means a written or oral expression of dissatisfaction with any aspect of the Dental Plan’s operation. A complaint is not (1) a misunderstanding or misinformation that is

resolved promptly by supplying the appropriate information or clearing up a misunderstanding to your satisfaction; nor (2) you or your dentist’s dissatisfaction or disagreement with an Adverse Determination.

To initiate a complaint, submit a request in writing to the Dental Plan stating the reason why you feel your request should be approved and include any information supporting your request. If you are unable or choose not to write, you may ask Customer Service to register your request by calling the toll-free number.

Within 5 business days of receiving your complaint, we will send you a letter acknowledging the date the complaint was received, a description of the complaint procedure and timeframes for resolving your complaint. For oral complaints, you will be asked to complete a one-page complaint form to confirm the nature of your problem or to provide additional information.

Upon receipt of your written complaint or one-page complaint form, Customer Service will review and/or investigate your problem. Your complaint will be considered and the resolution made by someone not involved in the initial decision or occurrence. Issues involving clinical appropriateness will be considered by a dental professional. A written resolution will be provided to you within 30 calendar days. If applicable, the written resolution will include a statement of the specific dental or contractual reasons for the resolution, the specialization of any dentist consulted, and a description of the appeals process, including the time frames for the appeals process and final decision of the appeal. If you are not satisfied with our decision, you may request an appeal.

b. Level Two Review (“Appeal”)

Cigna Dental will acknowledge your appeal in writing within 5 business days. The acknowledgment will include the name, address, and telephone number of the Appeals Coordinator. The review will be held at Cigna Dental Health’s administrative offices or at another location within the Service Area, including the location where you normally receive services, unless you agree to another site.

Additional information may be requested at that time. Second level reviews will be conducted by an Appeals Committee, which will include:

- (1) An employee of Cigna Dental Health;
- (2) A dentist who will preside over the Appeals Panel; and
- (3) An enrollee who is not an employee of Cigna Dental Health.

Anyone involved in the prior decision may not vote on the Appeals Committee. If specialty care is in dispute, the Committee will include a dentist in the same or similar specialty as the care under consideration, as determined by Cigna Dental. The review will be held and you will be notified in writing of the Committee's decision within 30 calendar days.

Cigna Dental will identify the committee members to you and provide copies of any documentation to be used during the review no later than 5 business days before the review, unless you agree otherwise. You, or your designated representative if you are a minor or disabled, may appear in person or by conference call before the Appeals Committee; present expert testimony; and, request the presence of and question any person responsible for making the prior determination that resulted in your appeal.

Please advise Cigna Dental 5 days in advance if you or your representative plans to be present. Cigna Dental will pay the expenses of the Appeals Committee; however, you must pay your own expenses, if any, relating to the Appeals process including any expenses of your designated representative.

The appeal will be heard and you will be notified in writing of the committee's decision within 30 calendar days from the date of your request. Notice of the Appeals Committee's decision will include a statement of the specific clinical determination, the clinical basis and contractual criteria used, and the toll-free telephone number and address of the Texas Department of Insurance.

2. Problems Concerning Adverse Determinations

a. Appeals

For the purpose of this section, a complaint concerning an Adverse Determination constitutes an appeal of that determination. You, your designated representative, or your dentist may

appeal an Adverse Determination orally or in writing. We will acknowledge the appeal in writing within 5 working days of receipt, confirming the date we received the appeal, outlining the appeals procedure, and requesting any documents you should send us. For oral appeals, we will include a one-page appeal form.

Appeal decisions will be made by a licensed dentist; provided that, if the appeal is denied and your dentist sends us a letter showing good cause, the denial will be reviewed by a specialty dentist in the same or similar specialty as the care under review. The specialty review will be completed within 15 working days of receipt.

We will send you and your dentist a letter explaining the resolution of your appeal as soon as practical but in no case later than 30 calendar days after we receive the request. If the appeal is denied, the letter will include:

- (1) the clinical basis and principal reasons for the denial;
- (2) the specialty of the dentist making the denial;
- (3) a description of the source of the screening criteria used as guidelines in making the adverse determination; and
- (4) notice of the rights to seek review of the denial by an independent review organization and the procedure for obtaining that review.

b. Independent Review Organization

If the appeal of an Adverse Determination is denied, you, your representative, or your dentist have the right to request a review of that decision by an Independent Review Organization ("IRO".) The written denial outlined above will include information on how to appeal the denial to an IRO, and the forms that must be completed and returned to us to begin the independent review process.

In life-threatening situations, you are entitled to an immediate review by an IRO without having to comply with our procedures for internal appeals of Adverse Determinations. Call Customer Service to request the review by the IRO if you have a life-threatening condition and we will provide the required information.

In order to request a referral to an IRO, the reason for the denial must be based on a medical necessity determination by Cigna Dental.

Administrative, eligibility or benefit coverage limits are not eligible for additional review under this process.

c. Expedited Appeals

You may request that the above complaint and appeal process be expedited if the timeframes under the above process would seriously jeopardize your life or health or would jeopardize your ability to regain the dental functionality that existed prior to the onset of your current condition. A dental professional, in consultation with the treating Dentist, will decide if an expedited review is necessary.

Investigation and resolution of expedited complaints and appeals will be concluded in accordance with the clinical immediacy of the case but will not exceed 1 business day from receipt of the complaint. If an expedited appeal involves an ongoing emergency, you may request that the appeal be reviewed by a dental professional in the same or similar specialty as the care under consideration.

d. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through our complaint system process and who are dissatisfied with the resolution, may file a complaint in writing with the Texas Department of Insurance at P.O. Box 149091, Austin, Texas 78714-9091, or you may call their toll-free number, 1-800-252-3439.

The Department will investigate a complaint against Cigna Dental to determine compliance with insurance laws within 30 days after the Department receives your complaint and all information necessary for the Department to determine compliance. The Department may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

- (1) additional information is needed;
- (2) an on-site review is necessary;
- (3) we, the physician or dentist, or you do not provide all documentation necessary to complete the investigation; or
- (4) other circumstances occur that are beyond the control of the Department.

Cigna Dental cannot retaliate against a Network General Dentist or Network Specialty Dentist for

filing a complaint or appealing a decision on your behalf. Cigna Dental will not cancel or refuse to renew coverage because you or your Dependent has filed a complaint or appealed a decision made by Cigna Dental. You have the right to file suit in a court of law for any claim involving the professional treatment performed by a Dentist.

XII. Treatment In Progress

A. Treatment In Progress For Procedures Other Than Orthodontics

If your dental treatment is in progress when you enroll in the Cigna Dental Plan, you should check to make sure your dentist is in the Cigna Dental Plan Network by contacting Customer Service at 1-800-Cigna24. You can elect a new dentist at this time. If you do not, your treatment expenses will not be covered by the Cigna Dental Plan.

B. Treatment in Progress For Orthodontics

If orthodontic treatment is in progress for you or your Dependent at the time you enroll in this Dental plan, the copays listed on your Patient Charge Schedule do not apply to treatment that is already in progress. This is because your enrollment in this Dental plan does not override any obligation you or your Dependent may have under any agreement with an Orthodontist prior to your enrollment. Cigna may make a quarterly contribution toward the completion of your treatment, even if your Orthodontist does not participate in the Cigna Dental Health network. Cigna's contribution is based on the Patient Charge Schedule selected by your Employer and the number of months remaining to complete your interceptive or comprehensive treatment, excluding retention. Please call Customer Service at 1-800-Cigna24 to obtain an Orthodontics in Progress Information Form. You and your Orthodontist should complete this form and return it to Cigna to receive confirmation of Cigna's contribution.

XIII. Disenrollment From the Dental Plan Termination of Benefits

Except as otherwise provided in the Sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. Termination of Your Group

1. due to nonpayment of Premiums, coverage shall remain in effect for 30 days after the due date of the

Premium. If the late payment is received within the 30-day grace period, a 20% penalty will be added to the Premium. If payment is not received within the 30 days, coverage will be canceled on the 31st day and the terminated customers will be liable for the cost of services received during the grace period.

2. either the Group or Cigna Dental Health may terminate the Group Contract, effective as of any renewal date of the Group Contract, by providing at least 60 days prior written notice to the other party.

B. Termination of Benefits For You and/or Your Dependents

1. the last day of the month in which Premiums are not paid to Cigna Dental.
2. the last day of the month in which eligibility requirements are no longer met.
3. the last day of the month in which your Group notifies Cigna Dental of your termination from the Dental Plan.
4. the last day of the month after voluntary disenrollment.
5. upon 15 days written notice from Cigna Dental due to fraud or intentional material misrepresentation or fraud in the use of services or dental offices.
6. immediately for misconduct detrimental to safe plan operations and delivery of services.
7. for failure to establish a satisfactory patient-dentist relationship, Cigna Dental will give 30 days written notification that it considers the relationship unsatisfactory and will specify necessary changes. If you fail to make such changes, coverage may be cancelled at the end of the 30-day period.
8. upon 30 days notice, due to neither residing, living nor working in the Service Area. Coverage for a dependent child who is the subject of a medical support order cannot be cancelled solely because the child does not reside, live or work in the Service Area.

When coverage for one of your Dependents ends, you and your other Dependents may continue to be enrolled. When your coverage ends, your Dependents coverage will also end.

XIV. Extension of Benefits

Coverage for completion of a dental procedure (other than orthodontics) which was started before your disenrollment from the Dental Plan will be extended for 90 days after disenrollment unless disenrollment was due to nonpayment of Premiums.

Coverage for orthodontic treatment which was started before disenrollment from the Dental Plan will be extended to the end of the quarter or for 60 days after disenrollment, whichever is later, unless disenrollment was due to nonpayment of Premiums.

XV. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Premiums to the Group. Additional information is available through your Benefits Representative.

Under Texas law you may also choose continuation coverage for you and your Dependents if coverage is terminated for any reason except your involuntary termination for cause and if you or your Dependent has been continuously covered for 3 consecutive months prior to the termination. You must request continuation coverage from your Group in writing and pay the monthly Premiums, in advance, within 60 days of the date your termination ends or the date your Group notifies you of your rights to continuation. If you elect continuation coverage, it will not end until the earliest of:

- A. 9 months after the date you choose continuation coverage if you or your dependents are not eligible for COBRA.
- B. 6 months after the date you choose continuation coverage if you or your dependents are eligible for COBRA;
- C. the date you and/or your Dependent becomes covered under another dental plan;
- D. the last day of the month in which you fail to pay Premiums; or
- E. the date the Group Contract ends.

You must pay your Group the amount of Premiums plus 2% in advance on a monthly basis. You must make the first premium payment no later than the 45th day following your election for continued coverage. Subsequent premium payments will be considered timely if you make such payments by the 30th day after the date that payment is due.

XVI. Conversion Coverage

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within three months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date your Group coverage ended. You and your enrolled Dependents are

eligible for conversion coverage unless benefits were discontinued due to:

- A. permanent breakdown of the dentist-patient relationship;
- B. fraud or misuse of dental services and/or Dental Offices;
- C. nonpayment of Premiums by the Subscriber; or
- D. selection of alternate dental coverage by your Group.

Benefits for conversion coverage will be based on the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Premiums will be the Cigna Dental conversion premiums in effect at the time of conversion. Conversion premiums may not exceed 200% of Cigna Dental's premiums charged to groups with similar coverage. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain rates and make arrangements for continuing coverage.

XVII. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24 or via the Internet at myCigna.com.

XVIII. Miscellaneous

- A. As a Cigna Dental plan customer you may also be eligible for additional dental benefits during certain health conditions. For example, certain frequency limitations for dental services may be relaxed for pregnant women and customers participating in certain disease management programs. Please review your plan enrollment materials for details.
- B. **Notice:** Any notice required by the Group Contract shall be in writing and mailed with postage fully prepaid and addressed to the entities named in the Group Contract.
- C. **Incontestability:** All statements made by a Subscriber on the enrollment application shall be considered representations and not warranties. The statements are considered to be truthful and are made to the best of the Subscriber's knowledge and belief. A statement may not be used in a contest to void, cancel, or non-renew an enrollee's coverage or reduce benefits unless it is in a written enrollment application signed by you, and a signed copy of the enrollment application is or has been furnished to you or your personal representative.

This Certificate of Coverage may only be contested because of fraud or intentional misrepresentation of material fact on the enrollment application.

- D. **Entire Agreement:** The Contract, Pre-Contract Application, amendments and attachments thereto represent the entire agreement between Cigna Dental Health and your Group. Any change in the Group Contract must be approved by an officer of Cigna Dental Health and attached thereto; no agent has the authority to change the Group Contract or waive any of its provisions. In the event this Certificate contains any provision not in conformity with the Texas Health Maintenance Organization Act (the Act) or other applicable laws, this Certificate shall not be rendered invalid but shall be construed and implied as if it were in full compliance with the Act or other applicable laws.
- E. **Conformity With State Law:** If this Certificate of Coverage contains any provision not in conformity with the Texas Insurance Code Chapter 1271 or other applicable laws, it shall not be rendered invalid but shall be considered and applied as if it were in full compliance with the Texas Insurance Code Chapter 1271 and other applicable laws.

Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

- the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
- the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
- the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
- the order states the period to which it applies; and
- if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits.

Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the following:

- the date you meet the criteria shown in the following Sections B through H.

B. Change of Status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

G. Reduction in work hours

If an Employee's work hours are reduced below 30 hours/week (even if it does not result in the Employee losing eligibility for the Employer's coverage); and the Employee (and family) intend to enroll in another plan that provides Minimum Essential Coverage (MEC). The new coverage must be effective no later than the 1st day of the 2nd month following the month that includes the date the original coverage is revoked.

H. Enrollment in Qualified Health Plan (QHP)

The Employee must be eligible for a Special Enrollment Period to enroll in a QHP through a Marketplace or the Employee wants to enroll in a QHP through a Marketplace during the Marketplace's annual open enrollment period; and the disenrollment from the group plan corresponds to the intended enrollment of the Employee (and family) in a QHP through a Marketplace for new coverage effective beginning no later than the day immediately following the last day of the original coverage.

HC-FED70

12-14

Eligibility for Coverage for Adopted Children

Any child who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance, if otherwise eligible as a Dependent, upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay

premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

HC-FED13

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

10-17

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures

Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled

“Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before

the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer’s policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer’s Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse’s) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the

occurrence of a qualifying event, 44 days after the qualifying event occurs; or

- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36 months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.
