

# EASTSIDE NEIGHBORHOOD ASSOCIATION

## Neighbors Building a Better Tomorrow

This is a reminder for the 2016 Dues payment of \$10.00. This will cover January 1, 2016 to January 1, 2017. We appreciate your past support and hope you will continue your membership in the Eastside Neighborhood Association.

ENA was formed in 1998 and has been active in many neighborhood issues within our square mile, bordered by Houghton, 22<sup>nd</sup>, Harrison, and Broadway. In the beginning the emphasis was on Case Park, which has developed into a neighborhood gem. The many meetings for the Target development seem to have paid off, as they have become good neighbors. We support the group that adopted Broadway for cleanup projects and welcome more to keep our neighborhood clean and beautiful. Harrison Road has become a safer route for the children walking to school, and will be even better with the improvements for Harrison.

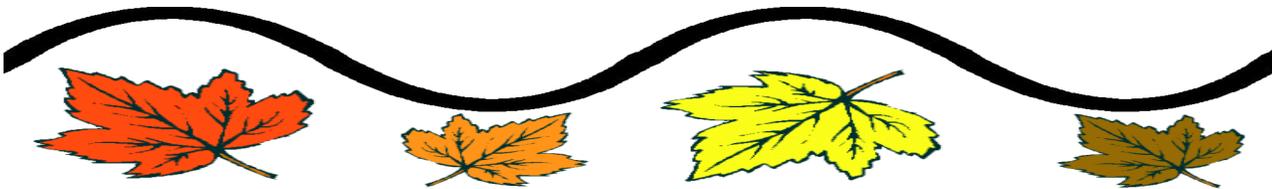

There are over 1500 homes in our area, and there is power in numbers. Neighborhood Associations are a benefit for all, however the more registered members we have, the louder our voice. We all want to maintain our quality of life and the value in our homes. A strong, active neighborhood association is an asset for everyone.

Our quarterly meetings are not mandatory, but we hope they are enjoyable. Great effort goes into finding speakers or demonstrations of interest. A Tucson Policeman attends every meeting with an update on our area and informative tips to keep us safe. Your ideas, suggestions, or concerns are welcomed and encouraged.

We are working on plans for 2016/2017 and would like you to be part of them. We hope you will continue your membership or join if not already a member, to support ENA and its goals of maintaining a quality lifestyle. With all of us working together we will keep our neighborhood beautiful and safe.

**Thanks for your support!**
