

City of Tucson and Pima County Consortium

Housing and Community Development – Request for Citizen Participation

Planning Process for the 5-year Consolidated Plan (for programs to be implemented between July 1, 2015 and June 30, 2020)

City of Tucson and Pima County Community Forums set to Discuss Affordable Housing, Public Facilities, Human Services, Economic Development and Neighborhood Improvements

The public is invited to participate in fourteen (14) jointly held City of Tucson and Pima County forums to discuss community needs that can be addressed with annual entitlement funding from the U.S. Department of Housing and Urban Development (HUD). The City receives approximately \$8 million per year for the urban area in incorporated Tucson under the following federal programs: Community Development Block Grant (CDBG); HOME Investment Partnerships Program (HOME); Emergency Solutions Grant (ESG); Housing Opportunities for Persons with AIDS (HOPWA). The County receives an additional \$3-4 million to address urban and rural needs in Pima County.

Public input received at these forums will be used to prepare the FY 2016 City of Tucson/Pima County 5-year Consolidated Plan. The FY 2016 Plan will incorporate the community needs, available resources, strategies and priorities for the 5-year period beginning on July 1, 2015. Proposed Consolidated Plan projects and activities are defined by federal program regulations and include affordable housing, public facilities, human services, economic development and neighborhood improvements. The FY 2016 Plan will replace the existing 2010 5-year Consolidated Plan that expires on June 30, 2015. A draft Consolidated Plan will be released in the spring of 2015 for a 30-day public comment period prior to presenting the Plan to the Mayor and Council and Board of Supervisors for adoption. The public is encouraged to attend these fall 2014 public forums. Please mark your calendars and distribute and post the list of forums for individuals and organizations who may wish to attend.
